

Dear College Signing Day Site Coordinators:

On behalf of the Tennessee Higher Education Commission (THEC), thank you for hosting a Tennessee College Signing Day event during the month of May at your school or organization. We hope the event will help bolster your efforts to expand the college-going culture of your school.

The purpose of College Signing Day is to build statewide excitement around going to college. For many years, College Signing Day was often associated with students signing athletic scholarships, but every student should have the opportunity to publicly celebrate their postsecondary plans. The event can also be an inspiring opportunity for younger students. By applauding seniors who are transitioning to higher education, younger students begin to form their own educational aspirations and plans. Additionally, schools that partner with local higher education institutions to implement College Signing Day have the opportunity to grow the relationship between local colleges, their school, and their students.

Please contact Mary Laphen, Statewide Services Coordinator for THEC's Office of P-16 Initiatives, at (615) 253-1155 or mary.laphen@tn.gov if you have any questions or concerns about planning and implementing a College Signing Day at your school. We will keep you updated regarding any changes or additional information you may find useful.

Thank you in advance for your willingness to participate in this important college access event. Your participation will encourage Tennessee students and their families to make college a part of their future.

Sincerely,

A handwritten signature in black ink, appearing to read "Troy Grant". The signature is fluid and cursive, with a large initial "T" and "G".

Reaching Algebra Readiness (RAR) Tony G. Williams, 2011-10-30 Research has shown that algebra is the doorway and gateway for future success of students in many aspects including high school graduation attending and success in college and professional earning power And the most important key to students success in algebra is their readiness This book is not only a program that addresses algebra readiness it is also a fundamental reform effort based on the National Mathematics Advisory Panel s NMAP s Final Report spring 2008 The book approaches mathematic skills deficiencies on an individual basis much like an IEP addresses the individual needs of a student with disabilities The Reaching Algebra Readiness RAR process consists of four components 1 Diagnostic assessing student s mastery of the skills needed to take algebra 2 Prescriptive developing an individualized plan to address specific math deficiencies 3 Intervention utilizing tools and resources parental involvement effective teaching strategies etc to improve students mathematics skills and 4 Drills and Effective Teachings Strategies mathematics is a discipline and simply there is no way of avoiding practice and drilling in reaching algebra readiness which can be enhanced significantly by implementing proven effective teaching strategies The Reaching Algebra Readiness RAR process and the related materials presented in this book will be revolutionary in helping all students acquire the math skills needed for success in algebra and beyond This book is a must guide for math teachers parents who home school parents who are looking for solutions and educators pursuing fundamental education reforms

Paul and the Ancient Letter Form Stanley E. Porter, Sean A.

Adams,2010-03-22 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs
