

The background of the cover features a pair of hands gently cupping a small white daisy with a yellow center. The hands are positioned in the lower half of the frame. In the background, a large, translucent wireframe cube is visible, creating a geometric pattern. The overall lighting is soft, with a warm, golden glow emanating from the left side, suggesting a light source like a candle or a lamp.

Sport, Leisure and Social Justice Jonathan Long, Thomas Fletcher, Beccy Watson, 2017-05-08 Social inequalities are often reproduced in sport and leisure contexts. However, sport and leisure can be sites of resistance as well as oppression; they can be repressive or promote positive social change. This challenging and important book brings together contemporary cases examining different dimensions of inequality in sport and leisure, ranging from race and ethnicity to gender, sexual orientation, disability, religion, and class. Presenting research-based strategies in support of social justice, this book places the experiences of disadvantaged communities centre stage. It addresses issues affecting participation, inclusion, and engagement in sport while discussing the challenges faced by specific groups such as Muslim women and LGBT young people. Including original theoretical and methodological insights, it argues that the experiences of these marginalised groups can shed a light on the political struggles taking place over the significance of sport and leisure in society today. *Sport, Leisure and Social Justice* is fascinating reading for students and academics with an interest in sport and politics, sport and social problems, gender studies, race and ethnicity studies, or the sociology of sport.

The SAGE Handbook of Qualitative Research Ethics Ron Iphofen, Martin Tolich, 2018-02-05 This handbook is a much needed and in depth review of the distinctive set of ethical considerations which accompanies qualitative research. This is particularly crucial given the emergent dynamic and interactional nature of most qualitative research which too often allows little time for reflection on the important ethical responsibilities and obligations. Contributions from leading international researchers have been carefully organised into six key thematic sections: Part One Thick Descriptions Of Qualitative Research Ethics; Part Two Qualitative Research Ethics By Technique; Part Three Ethics As Politics; Part Four Qualitative Research Ethics With Vulnerable Groups; Part Five Relational Research Ethics; Part Six Researching Digitally. This Handbook is a one stop resource on qualitative research ethics across the social sciences that draws on the lessons learned and the successful methods for surmounting problems, the tried and true and the new.

Sex and Leisure Diana C. Parry, Corey W. Johnson, 2020-12-17 This book uses the emerging and cutting edge area of leisure research to highlight the importance of sexuality and sexual activity and its relevance to leisure studies. It brings to the fore some complex issues associated with this topic using a range of substantive epistemological, theoretical, and methodological approaches. Drawing on international scholarship, the book examines sexuality from multiple and at times competing directions, exploring the continuum of sex from work through to carnal pleasure and across specific sexual practices including BDSM pornography, stripping, and sex work. Drawing on critical feminist, queer, and post-theoretical perspectives, the book charts a new direction for leisure studies and sex research, including diverse understandings of leisure practice, sex positivity, fringe and deviant sex practices. Critically, the book moves beyond merely establishing sex as a leisure pursuit to focusing on the compelling and complex intersections between sexuality and leisure. This is fascinating reading for any student or researcher with an interest in leisure, sexuality, gender,
