a must have for anyone seeking a deeper understanding of Christian theology and its profound implications on personal faith and practice      And We Shall Learn through the Dance Kathleen S. Turner,2021-07-28 Liturgical dance is a way to present reflect instruct learn study and share religious beliefs with one s self within one s worship community and with one s God Such a belief is confirmed and witnessed within a variety of religious settings throughout the world from the beginning of time to this present age However there is a vacuum of resources that connect liturgical dance within the Christian context as a tool for religious learning within the field of religious education With the continual rise of liturgical dance as an artistic form of expression this book proposes that liturgical dance offers unique attributes conducive to the teaching and learning of faith and to faith formation Kathleen S Turner shows how liturgical dance is religious education in two very important ways first by addressing the power and potential liturgical dance has in nourishing the faith life of Christian congregants through means that are both educative and reflective and second by giving examples of how liturgical dance can be implemented as a religious education tool within the teaching life of the church      Teaching the Way of Jesus Jack L. Seymour,2014-03-18 Christian religious education provides the content processes and settings to empower the church s mission in the world a mission that includes health care peace with justice and disciple making ministries Today the field Christian Education is clear about its tasks of helping form and nurture faith that is then embodied in faithful practices Research studies on Christian faith practices show how participating in Christian community undergirds and complements thoughtful living through one s life With an emphasis on practices and mission this book offers readers concrete ways to empower vital faith formation in congregations as it describes current trends which include richer diversity entrepreneurial spirit and interfaith dialog This book will also help prepare students for leadership in the Church universal and in the field of Christian Education

**The Church As Learning Community** Norma Cook Everist,2010-10-01 Norma Cook Everist contends that it is meaningful to say that in ministries of administration outreach and pastoral care the church is functioning as a learning community Whenever and wherever Christians are being formed into the image of Jesus Christ through ministry there Christian education is taking place Christian education is the name we give to that process of formation Building on this central insight Everist has written a major new introduction to the tasks and practices of Christian education Part 1 of the book focuses broadly on what it means to be the church in the world Part 2 shows how being a learning community requires ongoing growth in faith throughout the span of life Part 3 shifts focus to the church as it moves into the community and world

**Nurturing Faith** Fred P. Edie,Mark A. Lamport,2021-09-07 Faith left on rocky soil withers But faith nurtured in the good soil of Christian teaching formation and mentorship grows to maturity and yields thriving community Educational ministries are so often where this happens where the desires of the human heart are shaped toward a love for God a love for one s neighbor and a love for the world In this comprehensive guide to educational ministries in the twenty first century Fred Edie and Mark Lamport explore how church leaders and others involved in Christian education can nurture a robust

cruciform faith within their communities When discussing strategies and goals Edie and Lamport consider a range of contexts and a variety of related fields that might give insight into educational ministry theology pedagogy philosophy social science and more Those working with any age group children adolescents and adults will find a relevant discussion of key underlying theological themes a guide to concrete practices and indispensable help in navigating shifting cultural dynamics Exceedingly practical and consistent with the teachings of the gospel the wisdom in this book will speak to all who long to foster discipleship in their church school or missional community Key Features A Road Map at the beginning of each chapter concisely introduces the chapter s topic and essential themes Sidebars throughout the text provide deeper insight into particular important or nuanced concepts Discussion questions at the end of each chapter facilitate further reflection especially in conversation with others Suggestions for further reading are provided at the end of each chapter for those interested in exploring the chapter s ideas in greater depth Concluding the book is a series of afterwords from experts in the field of Christian educational ministries Martyn Percy Almeda Wright Craig Dykstra Kirsten Oh Elizabeth DeGaynor and Thomas Groome *Dictionary of Christian Spirituality* Zondervan, 2016-11-22 In recent decades Christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community Consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality The Dictionary of Christian Spirituality reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics At the same time contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life And by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors Entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect They offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism The Dictionary of Christian Spirituality is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged accessible and relevant for all contemporary Christians **Cooperation in Christian Education** Federal Council of the Churches of Christ in America. Commission on Christian Education, 1917 To Teach, To Delight, and To Move David S. Cunningham, 2004-10-22 This book initiates a new conversation about how theological education might be re envisioned for the twenty first century church The prevailing curricular structure in today s seminaries and divinity schools was fashioned in a very different era one that assumed the continued cultural dominance of Christianity and the continued academic dominance of the canons of Enlightenment reason Neither assumption is viable in today s post

Christian world hence our new circumstances demand a new vision for theological education The authors of this volume offer an important resource for this project through their creative appropriation of the classical rhetorical tradition particularly as it has been rehabilitated in the contemporary context Like St Augustine they believe that the chief goals of Christian theology are similar to those of classical rhetoric to teach to delight and to move And the authors are united in their conviction that these must also be the goals of theological education in a post Christian era This volume arises out of a passionate commitment to the cause of theological education The authors hail from a wide range of denominational traditions and have taught in numerous seminaries and divinity schools They have also studied the classical and postmodern rhetorical traditions in both theory and practice They met as a group on numerous occasions to read one another s contributions to the volume and to offer guidance for the process of rewriting As a result this book is much more than a mere collection of essays it is a jointly authored work and one which presents an integrated vision for the future of theological education

**Educating Congregations** Charles R. Foster, 2010-08-01 A leading Christian educator offers a practical guide for revisioning a church s educational program After identifying the weaknesses in current education programs Charles Foster offers an alternative vision that is more cooperative more attentive to the whole of the congregation s life and that helps people critically correlate the Bible and Christian tradition to their own experience

Education, Religion and Society Dennis Bates, Gloria Durka, Friedrich Schweitzer, 2006-06-28 Education Religion and Society celebrates the career of Professor John Hull a leading figure in the transformation of religious education in English and Welsh schools and co founder of the International Seminar on Religious Education and Values He has also made major contributions to the theology of disability and the theological critique of the money culture Leading international scholars join together to offer a critical appreciation of his contribution to religious education and practical theology and explore the continuing debate about the role of religious education in promoting international understanding intercultural education and human rights The contributors also deal with indoctrination racism and relationship in Christian religious issues and examine aspects of the theology of social exclusion and disability This unique book includes a complete list of John Hull s writings up to the beginning of 2005 providing both an excellent introduction to contemporary issues of religious education in the West and the most complete critical account yet of his work

**Models and Methods for Youth and Young Adult Ministry** Arthur David Canales, 2018-05-25 Models and Methods for Youth and Young Adult Ministry is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice It invites pastoral practitioners scholars in the field and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way Through rich concrete examples and strategies the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ

**Intergenerational Christian Formation** Holly Catterton Allen, Christine Lawton, Cory L. Seibel, 2023-06-13 In a revised and updated edition this comprehensive up to date text offers a framework for intentional intergenerational Christian formation It provides the theoretical foundation of intergenerationality then gives concrete practical guidance on how worship learning community and service can all be achieved intergenerationally *The Faithful Librarian* Garrett B. Trott, 2019-09-18 What do Christianity and librarianship have in common Netherlands Prime Minister and theologian Abraham Kuyper 1837 1920 was among the first in the modern era to attempt to rejoin the dichotomy of sacred vs secular study when he said no single piece of our mental world is to be hermetically sealed off from the rest Over the years a number of publications have followed Kuyper's lead yet little has been written on the subject since Greg A Smith's notable *Christian Librarianship* 2002 Building on Smith's work this volume seeks to bridge the sacred secular divide with an exploration of how Christianity and the gospel are manifested through the profession of librarianship **The Teaching Church** Eugene C. Roehlkepartain, 1993 **International Journal of Religious Education**, 1927 *The Metropolitan*, 1853

Foundational Issues in Christian Education Robert W. Pazmiño, 2008-09 Updated and revised this book explores the essential foundations of Christian education that educators draw upon in their thought and practice Practicing Christian Education Mark A. Maddix, James Riley Jr. Estep, 2017-07-18 This accessible introduction to the broad scope of Christian education focuses on its practice in the local church Two leading experts argue that Christian education encompasses all of the intentional practices of the local church including worship mission sacraments and teaching They explore Christian education not only as a field of study but as a vital congregational ministry showing how congregations can engage in discipleship and formation for spiritual growth The book features exercises and other pedagogical devices and includes reflection questions and suggestions for further reading Christly Gestures Brett Webb-Mitchell, 2003 The church is not only the central place of Christian worship but also a place of faith filled education Christly Gestures reframes the very meaning of religious education exploring what the form and content of Christian learning would look like if local churches truly saw themselves as the body of Christ Author Brett Webb Mitchell begins with the writings of Paul using them to clarify the biblical image of Christ's body as the community of believers Taking this powerful analogy to heart he suggests that Christian education must not only nurture the minds and spiritual lives of church members but also educate their bodies into the Christly gestures performing acts of faith that imitate Jesus and embody the gospel in daily life In the quest for a richer more relevant understanding of Christian education Webb Mitchell provides meaningful answers to questions concerning the purpose context ways and means of educating Christians today
