Maria Giulia Amadio Viceré

European Security In Natos Shadow Party Ideologies And Institution Building:

European Security in NATO's Shadow Stephanie C. Hofmann, 2013-01-03 This book asks why European countries tried to build a security institution outside of NATO emphasising the influence of political party ideologies

European Security Efforts in the Shadow of Nato Stephanie Claudia Hofmann, 2009 The Oxford Handbook of NATO James Sperling, Mark Webber, 2025-02-05 The North Atlantic Treaty Organization NATO has since its foundation in 1949 been the principal body of the Western security order and remains as important in the 2020s as it was in the 1950s This Handbook offers the most extensive treatment of the Alliance published in the last two decades providing detailed coverage of NATO allies policies and organizational structures It brings together internationally renowned scholars who interrogate NATO s actions from historical theoretical and empirical perspectives The Handbook is divided into nine parts Following an introductory part offering a thematic overview of NATO framed by different approaches to domestic politics and global order the second part explores three broad questions what is NATO for who is NATO for and whither NATO Part Three is more expressly theoretical providing multi perspectival analyses of the Alliance Part Four then turns to how NATO works as a political military alliance Parts Five and Six are concerned with what NATO does in practical terms how it addresses a wide range of security threats and what operations it has mounted in response Part Seven looks at some of NATO s most significant allies including France Germany Italy Poland Turkey the United Kingdom and the United States Part Eight meanwhile is concerned with partnerships and key relationships beyond NATO s membership looking at Australia Georgia Ukraine Russia China the European Union and the European neutrals as well as ties to states in the Gulf the Middle East and North Africa The final part of the volume offers reflections on NATO s recent past and possible lines of future development

The Oxford Handbook of International Law in Europe , 2024-12-04 This handbook provides a comprehensive account of how international law is understood and practiced in Europe which is defined for the purposes of the book as Council of Europe countries in the past and in the present It is separated into parts covering Europe s values intellectual traditions and institutions as well as examinations of European countries and regions A diverse group of leading scholars and practitioners of international law are led by three overarching focus points the success and failures of the pacifying effect of international law the diversity of international legal experiences and traditions within Europe and the impact of European ideas on international law globally By examining these areas the book also analyses Europe s changing role in the world and the impact of global influences on the understanding of international law in European countries The book is a study of regionalism in international law but also a study of the impact of a region which at least historically has had an overwhelming influence on the development and interpretations of international law

Theorising NATO Mark Webber, Adrian Hyde-Price, 2015-11-19 Scholarship on NATO is often preoccupied with key episodes in the development of the organisation and so for the most part has remained inattentive to theory This book addresses that gap in the literature It provides a

comprehensive analysis of NATO through a range of theoretical perspectives that includes realism liberalism and constructivism and lesser known approaches centred on learning public goods securitisation and risk Focusing on NATO's post Cold War development it considers the conceptualisation purpose and future of the Alliance This book will be of interest to students and scholars of international organisation international relations security and European Politics The Cambridge History of the European Union: Volume 1, European Integration Outside-In Mathieu Segers, Steven Van Hecke, 2023-11-09 Volume I examines the history of the European Union from an outside in perspective asking the following questions how does the European Union look from the outside and which outside forces shaped and guided the process of European integration Split into three parts the first addresses the main external events that have steered the European integration process with emphasis placed on critical junctures following the Second World War such as the division and reunification of Germany and the Eastern enlargement Part II considers the various international trends that have shaped European integration with particular focus on globalisation and geopolitics While the first two parts pay special attention to institutions countries international organisations and the main actors Part III focuses on the role of ideas networks public opinion and memory that influenced the development of the European Union **The Nations of NATO** Thierry Tardy, 2022-10-20 War has returned to Europe and NATO stands at the forefront of the response to Russia's aggression in Ukraine But how does NATO function How do NATO member states perceive and act through the Atlantic Alliance And ultimately how do states shape NATO's cohesion and relevance in the face of threats The Nations of NATO explores national policies within the Atlantic Alliance It examines the foreign policies of 16 allies focusing on issues such as their strategic cultures relationship with the United States contributions to NATO operations levels of defence spending domestic challenges and decision making processes The recent crisis in Ukraine has without doubt reinvigorated NATO as a military alliance but over the last decade it has also been affected by a number of challenges both endogenous and exogenous Whether the Alliance is threatened from the outside Russia terrorism China or is being undermined from within intra Alliance politics diverging threat perceptions has become an increasingly debated issue The degree to which the Alliance can adapt to evolving threats has also been at stake At the heart of these debates are NATO allies policies preferences threat perceptions and level of commitment to the shared enterprise By analysing the drivers constraints and specificities of relevant national policies the volume offers an overview of NATO's contemporary functions and challenges and constitutes an important source of data for future research and comparative analysis Security and Defence Policy in the European Union Jolyon Howorth, 2014-06-10 The Common Security and Defence Policy CSDP has come a long way since its inception as the European Security and Defence Identity under NATO Yet more than a decade after emerging as an autonomous entity with its own capacity for civilian crisis management and military action the European Union's CSDP is still very much a work in progress This fully revised and updated new edition provides the most comprehensive account available of the CSDP and the

debates surrounding it Written by a leading authority in the field the second edition draws on the author's own extensive research in the area including hundreds of interviews with key actors and takes account of developments since the reforms of the Lisbon Treaty A brand new chapter assesses international relations theory and European integration theory as tools to understand the CSDP and critically engages with theoretical approaches that view security and defence policy as the exclusive domain of sovereign nation states The book concludes with an analysis of future hurdles for the European Union as it responds to new and often unpredictable crises across the globe

EU Foreign Policy and Crisis Management Operations Benjamin Pohl, 2014-03-21 This book explores the drivers of the EU's recent forays into peace and state building operations Since the Union's European now Common Security and Defence Policy ESDP CSDP became operational in 2003 the EU has conducted more than 20 civilian and military operations that broadly served to either deter aggression in host countries and or to build or strengthen the rule of law This sudden burst of EU activity in the realm of external security is interesting from both a scholarly and a policy perspective On one hand institutionalised cooperation in the field of foreign security and defence policy challenges the mainstream in IR theory which holds that in such sovereignty sensitive areas cooperation would necessarily be limited On the other hand the sheer quantity of operations suggests that the ESDP may represent a potentially significant feature of global governance In order to understand the drivers behind CSDP EU Foreign Policy and Crisis Management Operations analyses the policy output in this area including the operations conducted in the CSDP framework Up until now many studies inferred the logic behind CSDP from express intentions institutional developments and the potential of pooled capabilities By mining the rich data that CSDP operations represent in terms of the motives and ambitions of EU governments for the CSDP this book advances our understanding of the framework at large This book will be of much interest to students of European Security EU policy peacebuilding statebuilding and IR

International Relations Theory and European Security Lorenzo Cladi, Andrea Locatelli, 2015-08-20 This book engages with key contemporary European security issues from a variety of different theoretical standpoints in an attempt to uncover the drivers of foreign policy and defence integration in the EU Although European foreign policy has been attracting an ever increasing number of International Relations IR scholars since the end of the Cold War consensus on what drives European foreign policy integration has not yet emerged This book seeks to encourage debate on this issue by examining a wide range of high profile security issues which have roused significant interest from policy makers academics and the public in recent years The volume discusses amongst other issues the strategic posture of the European Union as a security actor the troubled relationship with Russia the debate regarding France's relations with the US following France's rapprochement with NATO and the EU's influence in the Israeli Palestinian conflict The collective intent of the contributors to highlight the drivers of EU foreign policy and defence integration ties together the wide variety of topics covered in this volume forming it into a comprehensive overview of this issue By paying considerable attention not just to the internal drivers of EU

cooperation but also to the critical role played by the US as an incentive or obstacle to European security this book presents a unique contribution to this field of debate This book will be of much interest to students of European security IR theory Transatlantic Relations European politics and EU foreign policy

Palgrave Handbook of Inter-Organizational Relations in World Politics Rafael Biermann, Joachim A. Koops, 2016-11-29 This unique handbook brings together a team of leading scholars and practitioners in order to map synthesize and assess key perspectives on cooperation and rivalry between regional and global organizations in world politics For the first time a variety of inter disciplinary theoretical and conceptual perspectives are combined in order to assess the nature processes and outcomes of inter organizational partnerships and rivalries across major policy areas such as peace and security human rights and democratisation as well as finance development and climate change This text provides scholars students and policy makers of International Relations with an exhaustive reference book for understanding the theoretical and empirical dimensions of an increasingly important topic in International Relations IR Global Governance and related disciplines

Research Methods in Defence Studies Delphine Deschaux-Dutard, 2020-08-09 This textbook provides an overview of qualitative and quantitative methods used in different social sciences to investigate defence issues Recently defence issues have become of increasing interest to researchers in the social sciences but they raise specific methodological questions This volume intends to fill a gap in the literature on defence studies by addressing a number of topics not dealt with sufficiently before The contributors offer a range of methodological reflections and tools from various social sciences political science sociology geography history economics and public law for researching defence issues They also address the increasingly important question of data and digitalization The book introduces the added value of quantitative and qualitative methods and calls for a cross fertilization of methods in order to facilitate better research on defence topics and to fully grasp the complexity of defence in the 21st century This book will be of much interest to students researchers and practitioners of defence studies war studies military studies and social science research methods in general

Europe's Common Security and Defence Policy Michael E. Smith, 2017-06-07 The EU's emergence as an international security provider under the first Common Security and Defence Policy CSDP operations in the Balkans in 2003 is a critical development in European integration In this book which relies on extensive interviews with CSDP officials Michael E Smith investigates how the challenge of launching new CSDP operations causes the EU to adapt itself in order to improve its performance in this realm through the mechanism of experiential institutional learning However although this learning has helped to expand the overall range and complexity of the CSDP the effectiveness of this policy tool still varies widely depending on the nature of individual operations The analysis also calls in to question whether the CSDP and the EU's broader structures under the 2009 Treaty of Lisbon are fit for purpose in light of the EU's growing strategic ambitions and the various security challenges facing Europe in recent years

The Oxford Handbook of Peaceful Change in International Relations T. V. Paul, Deborah Welch Larson, Harold A. Trinkunas, Anders Wivel, Ralf Emmers, 2021 Abstract With

the rapid rise of China and the relative decline of the United States the topic of power transition conflicts is back in popular and scholarly attention The discipline of International Relations offers much on why violent power transition conflicts occur yet very few substantive treatments exist on why and how peaceful changes happen in world politics This Handbook is the first comprehensive treatment of the subject of peaceful change in International Relations It contains some 41 chapters all written by scholars from different theoretical and conceptual backgrounds examining the multi faceted dimensions of this subject In the first part key conceptual and definitional clarifications are offered and in the second part papers address the historical origins of peaceful change as an International Relations subject matter during the Inter War Cold War and Post Cold War eras In the third part each of the IR theoretical traditions and paradigms in particular Realism liberalism constructivism and critical perspectives and their distinct views on peaceful change are analyzed In the fourth part papers tackle the key material ideational and social sources of change In the fifth part the papers explore selected great and middle powers and their foreign policy contributions to peaceful change realizing that many of these states have violent past or tend not to pursue peaceful policies consistently In part six the contributors evaluate the peaceful change that occurred in the world s key regions In the final part the editors address prospective research agenda and trajectories on this important subject matter

Keywords Peaceful Change War Security International Relations Theory Sources of Change Systemic Theory Realism Liberalism Constructivism Critical Theories

International Theory and German Foreign Policy Jakub Eberle, Alister Miskimmon, 2022-06-23 The central aim of this book is to foster connections between scholarly discussions of German foreign policy and broader theoretical debates in International Relations and beyond While there has been a lively discussion about new German foreign policy this book argues that it has not engaged substantially with international and foreign policy theory especially with respect to its more recent developments Reviewing the recent literature on German foreign policy this book posits that the most discussed works are still largely provided by the Altmeister Maull Szabo Bulmer and Paterson who were already dominating the field a quarter of a century ago While there is a general decline in the academic study of German foreign policy the chapters in this edited volume show that a range of novel theoretically sophisticated but often disconnected scholarship has appeared on the margins This book contributes to this emerging work by providing conceptual interrogations which question the existing research and provide theoretically grounded alternatives initiating critical discussions and evaluations of the nature of Germany s actorness and the environment in which it operates and proposing applications of less familiar perspectives on German foreign policy The chapters in this book were originally published as a special issue of German Politics

[Integration and Differentiation in the European Union](#) Dirk Leuffen, Berthold Rittberger, Frank Schimmelfennig, 2022-01-01 Far from displaying a uniform pattern European integration varies significantly across policy areas and individual countries Why do some member states choose to opt out of specific EU policies Why are some policies deeply integrated whereas others remain intergovernmental In this updated second edition the authors

introduce the most important theoretical approaches to European integration and apply these to the trajectories of key EU policy areas Arguing that no single theory offers a completely convincing explanation of integration and differentiation in the EU this thought provoking book provides a new synthesis of integration theory and an original way of thinking about what the EU is and how it works

The High Representative and EU Foreign Policy Integration Maria Giulia Amadio Viceré,2018-04-28 Adopting a broad conceptualization of foreign and security policy the book examines the role of the High Representative as chair of the Foreign Affairs Council and in her his capacity as Vice President of the European Commission to assess different patterns of integrated efforts in EU foreign and security policies In this way it presents a new perspective from which institutional practices in this specific area can be examined This contribution is particularly valuable for scholars and students of EU foreign and security policy of external relations of the EU of international relations more in general and of EU integration and politics At the same time the book contributes to the empirical understanding of two EU policies that have recently been at the centre of the debate among scholars policy analysts and practitioners namely the EU enlargement towards the Western Balkans and the EU Neighborhood Policy and Eastern Partnership

The Routledge Handbook of Ideology and International Relations Jonathan Leader Maynard,Mark L. Haas,2022-10-25 The Routledge Handbook of Ideology and International Relations reviews consolidates and advances the study of ideology in international politics The volume unifies fragmented scholarship on ideology s impact on international relations into a wide ranging and go to volume Declarations of the end of ideology have once again been proven premature nationalisms of various stripes are thriving ideological polarization and conflicts both within and among states are growing and environmentalist feminist and anti globalization activists are intensifying their demands on international institutions and states This timely volume presents ideology as a way of explaining these major developments of world politics rejecting the simplistic association of ideology with passionate convictions in favor of more complex theories of ideology s influence The chapters summarize cutting edge knowledge on major topics suggest key implications for broader theoretical debates and frameworks and point the way forwards to future avenues of inquiry Contributors adopt puzzle orientated causal constitutive and or critical approaches with a central focus on the determinants and effects of ideological phenomena and their interaction with other aspects of politics This handbook is of key interest to students and scholars of ideologies international relations foreign policy analysis political science political theory and more broadly to sociology psychology and history The Routledge Handbook of Ideology and International Relations is part of the mini series Routledge Handbooks on Political Ideologies Practices and Interpretations edited by Michael Freeden

Party Systems and Foreign Policy Change in Liberal Democracies Angelos Chrysogelos,2020-12-22 How do political parties affect foreign policy This book answers this question by exploring the role of party politics as source of foreign policy change in liberal democracies The book shifts the focus from individual political parties to party systems as the context in which parties ideologies receive precise content and their preferences are

formed The central claim is that foreign policy change arises from within transformed discursive contexts of party competition when a new language of politics that constitutes anew parties self understanding of what they stand for and compete over emerges in a party system By comparing cases of contested foreign policy change the book shows how such transformations in party competition determine whether and when international pressures on a state will translate into decisions to institute foreign policy change and what degree of change will be ultimately implemented With a novel framework which bridges concepts of international relations and comparative politics the book will be of interest to researchers and students in the areas of international relations theory foreign policy analysis and comparative politics and generally to anyone wanting to understand how and when parties elections and voters contribute to international change

French Defence Policy Since the End of the Cold War Alice Pannier, Olivier Schmitt, 2020-12-27 This book describes the evolution of French defence policy since the end of the Cold War For the past thirty years there have been significant changes to French defence policy as a result of several contextual evolutions Changes include shifts in the global balance of power new understandings of the notion of international security economic downturns and developments in European integration Yet despite these changes the purpose of France s grand strategy and its main principles have remained remarkably stable over time This book identifies the incentives representations and objectives of French defence policy The authors examine the general mechanisms that influence policy change and military transformation in democracies the importance of status seeking in international relations the processes of strategy making by a middle power and the dilemmas and challenges of security cooperation By doing so the book raises a number of questions related to the ways states adjust or not their security policies in a transformed international system This book makes French language sources available to non French speaking readers and contributes to a better understanding of a country that is at the forefront of Europe s external action This book will be of great interest to students of defence studies French politics military studies security studies and IR in general

European Security In Natos Shadow Party Ideologies And Institution Building Introduction

European Security In Natos Shadow Party Ideologies And Institution Building Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. European Security In Natos Shadow Party Ideologies And Institution Building Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. European Security In Natos Shadow Party Ideologies And Institution Building : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for European Security In Natos Shadow Party Ideologies And Institution Building : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks European Security In Natos Shadow Party Ideologies And Institution Building Offers a diverse range of free eBooks across various genres. European Security In Natos Shadow Party Ideologies And Institution Building Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. European Security In Natos Shadow Party Ideologies And Institution Building Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific European Security In Natos Shadow Party Ideologies And Institution Building, especially related to European Security In Natos Shadow Party Ideologies And Institution Building, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to European Security In Natos Shadow Party Ideologies And

Institution Building, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some European Security In Natos Shadow Party Ideologies And Institution Building books or magazines might include. Look for these in online stores or libraries. Remember that while European Security In Natos Shadow Party Ideologies And Institution Building, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow European Security In Natos Shadow Party Ideologies And Institution Building eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the European Security In Natos Shadow Party Ideologies And Institution Building full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of European Security In Natos Shadow Party Ideologies And Institution Building eBooks, including some popular titles.

FAQs About European Security In Natos Shadow Party Ideologies And Institution Building Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. European Security In Natos Shadow Party Ideologies And Institution Building is one of the best book in our library for free trial. We provide copy of European Security In Natos Shadow Party Ideologies And Institution Building in digital format, so the resources that you find are reliable. There are also many Ebooks of related with European Security In Natos Shadow Party Ideologies And Institution Building. Where to download European Security In Natos Shadow Party Ideologies And Institution Building online for free? Are you looking for European Security In Natos Shadow Party Ideologies And Institution Building PDF? This is definitely

going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another European Security In Natos Shadow Party Ideologies And Institution Building. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of European Security In Natos Shadow Party Ideologies And Institution Building are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with European Security In Natos Shadow Party Ideologies And Institution Building. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with European Security In Natos Shadow Party Ideologies And Institution Building To get started finding European Security In Natos Shadow Party Ideologies And Institution Building, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with European Security In Natos Shadow Party Ideologies And Institution Building So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading European Security In Natos Shadow Party Ideologies And Institution Building. Maybe you have knowledge that, people have search numerous times for their favorite readings like this European Security In Natos Shadow Party Ideologies And Institution Building, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. European Security In Natos Shadow Party Ideologies And Institution Building is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, European Security In Natos Shadow Party Ideologies And Institution Building is universally compatible with any devices to read.
