Everyday Culture David Trend, 2008 *EBOOK: Experiencing Intercultural Communication: An Introduction* Judith Martin, Thomas Nakayama, G.P. van Rhee, de van Oudtshoorn, Paul Schutte, 2013-07-16 The new Southern African edition of this popular introductory textbook offers students a practical and accessible framework for developing their intercultural communication skills. It provides a global perspective on intercultural communication while allowing students to contextualise their knowledge with relevant examples, applications and perspectives. Recognising that students in Southern Africa come from diverse cultural, ethnic and linguistic backgrounds, it provides discussion of issues and perspectives they can apply to everyday life and to broader contexts.

EBOOK: Social Psychology David Myers, Jackie Abell, Fabio Sani, 2014-03-16 Social psychology is one of the most intriguing and captivating areas of psychology as it has a profound influence on our everyday lives, from our shopping habits to our interactions at a party. Social psychology seeks to answer questions that we think and talk about with each other every day, such as: Why do some people behave differently when on their own to when they're with a group? What leads individuals sometimes to hurt and sometimes to help one another? Why are we attracted to certain types of people? How do some persuade others to do what they want? The new edition of *Social Psychology* has been revised to introduce a more flexible structure for the teaching and studying of social psychology and includes up to date international research in the area. There is an emphasis throughout on the critical evaluation of published research in order to encourage critical thinking about the various topics. Applied examples across the chapters help to highlight the relevance and hence the impact that the theories and methods of this fascinating subject have upon the social world.

Key Features Include: Research Close Up: Following a brand new style, this feature matches the layout used in real research papers, providing an accessible introduction to journal articles and the research methods used by social psychologists. Focus On: Fully revised from the previous edition, these boxes now look at opposing viewpoints, controversial research or alternative approaches to topics within social psychology, offering a more critical outlook on topics and prompting the questioning of the validity of published research. Recommended Readings: New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topic.

Connect Psychology is McGraw Hill's digital learning and teaching environment. Students: You get easy online access to homework, tests and quizzes designed by your instructor. You get immediate feedback on how you're doing, making it the perfect platform to test your knowledge. Lecturers: It gives you the power to create auto-graded assignments, tests and quizzes online. The detailed visual reporting allows you to easily monitor your students' progress. In addition, you can still access key support materials for your teaching, including a testbank, seminar materials and lecture support. Visit <http://connect.mcgraw-hill.com> for more details.

EBOOK: FOR EDUCATION Wilfred Carr, 1995-02-16 A recent review of his work describes Wilfred Carr as one of the most brilliant philosophers now working in the rich British tradition of educational philosophy. His

work is rigorous refreshing and original and examines a number of fundamental issues with clarity and penetration In For Education Wilfred Carr provides a comprehensive justification for reconstructing educational theory and research as a form of critical inquiry In doing this he confronts a number of important philosophical questions What is educational theory What is an educational practice How are theory and practice related What is the role of values in educational research Is a genuinely educational science possible By appealing to developments in critical theory the philosophy of science and the philosophy of the social sciences Wilfred Carr provides answers to these questions which vindicate the idea of an educational science that is not on or about education but for education a science genuinely committed to promoting educational values and ideals

EBOOK: An Intimate Loneliness Gordon Riches,Pam Dawson,2000-01-16 What impact does a child s death have on family relationships How might differences in the way mothers and fathers deal with bereavement contribute to increased marital tension Why are bereaved siblings so deeply affected by the way their parents grieve An Intimate Loneliness explores how family members attempt to come to terms with the death of an offspring or brother or sister Drawing on relevant research and the authors own experience of working with bereaved parents and siblings this book examines the importance of social relationships in helping parents and siblings adjust to their bereavement The chances of making sense of this most distressing loss are influenced by the resilience of the family s surviving relationships by the availability of wider support networks and by the cultural resources that inform each s perception of death This book considers the impact of bereavement on self and family identity In particular it examines the role of shared remembering in transforming survivors relationships with the deceased and in helping rebuild their own identity with a significantly changed family structure Problems considered include the failure of intimate relationships cultural and gender expectations the invisibility of fathers and siblings grief sudden and difficult deaths lack of information and the sense of isolation felt by some family members This book will be of value to students on courses in counselling health care psychology social policy pastoral care and education It will appeal to sociology students with an interest in death dying and mortality It is also aimed at professionally qualified counselling health and social service workers at informed voluntary group members the clergy teachers and others involved with pastoral care
