## **Everything Was Possible The Birth Of The Musical Follies Applause S:**

**Everything was Possible** Ted Chapin,2005-03 In 1971 Ted Chapin was a production assistant on the legendary Broadway musical Follies Thirty years later the journal he kept has become the definitive history of one of Broadway's greatest ever musicals created by geniuses at the top of their free Stephen Sondheim Hal Prince Michael Bennett and James Goldman Everything Was Possible Ted Chapin,2022-08-15 Have you ever been curious about what it takes to get an original Broadway musical to opening night Ted Chapin college student at the time had a front row seat at the creation of Stephen Sondheim's Follies now considered one of the most important musicals of modern time He kept a detailed journal of his experience as the sole production assistant which he used as the basis for Everything Was Possible The Birth of the Musical Follies originally published in 2003 He was there in the drama filled rehearsal room typing the endless rewrites ferrying new songs around town pampering the film and television stars in the cast travelling with the show to its Boston tryout and back to New York for the Broadway opening night With an enthusiast's focus on detail and a journalist's skill Chapin takes the reader on the roller coaster ride of creating a new and original Broadway musical Musical theater giants still rising in their careers were working at top form on what became a Tony Award winning classic Stephen Sondheim Harold Prince and Michael Bennett Many classic Sondheim songs like I'm Still Here Losing My Mind and Broadway Baby were part of the score some written in a hotel room in Boston Celebrate the 50th anniversary of Follies with Ted Chapin A new afterword brings the history of the show forward diving into recent productions around the world new recordings and the continued promise of a film version The Stephen Sondheim Encyclopedia Rick Pender,2021-04-15 Praise from Jesse Green New York Times Chief Theater Critic Arts in the 2023 Holiday Gift Guide From A the director George Abbott to Y You Could Drive a Person Crazy The Stephen Sondheim Encyclopedia by Rick Pender offers an astonishingly comprehensive look in more than 130 entries at the late master's colleagues songs shows and methods The Stephen Sondheim Encyclopedia is a wonderfully detailed and comprehensive reference devoted to musical theater's most prolific and admired composer and lyricist Entries cover Sondheim's numerous collaborators from composers and directors to designers and orchestras key songs such as his Academy Award winner Sooner or Later Dick Tracy and major works including Assassins Company Follies Sweeney Todd and West Side Story The encyclopedia also profiles the actors who originated roles and sang Sondheim's songs for the first time including Ethel Merman Angela Lansbury Mandy Patinkin and Bernadette Peters Featuring a detailed biographical entry for Sondheim a chronology of his career a listing of his many awards and discussions of his opinions on movies opera and more this wide ranging resource will attract musical theater enthusiasts again and again **The Oxford Handbook of Sondheim Studies** Robert Gordon,2014-05-01 The Oxford Handbook of Sondheim Studies offers a series of cutting edge essays on the most important and compelling topics in the growing field of Sondheim Studies Focusing on broad groups of issues relating to the music and the production of Sondheim works rather than on biographical questions about the

composer himself the handbook represents a cross disciplinary introduction to comprehending Sondheim in musicological theatrical and socio cultural terms This collection of never before published essays addresses issues of artistic method and musico dramaturgical form while at the same time offering close readings of individual shows from a variety of analytical perspectives The handbook is arranged into six broad sections issues of intertextuality and authorship Sondheim s pioneering work in developing the non linear form of the concept musical the production history of Sondheim s work his writing for film and television his exploitation and deployment of a wide range of musical genres and how interpretation through key critical lenses including sociology history and feminist and queer theory establishes his position in a broader cultural context

Sondheim in Our Time and His William Anthony Sheppard,2022 Sondheim in Our Time and His offers a wide ranging historical investigation of the landmark works and extraordinary career of Stephen Sondheim a career which has spanned much of the history of American musical theater Each author uncovers those aspects of biography collaborative process and contemporary context that impacted the creation and reception of Sondheim s musicals In addition several authors explore in detail how Sondheim s shows have been dramatically revised and adapted over time Multiple chapters invite the reader to rethink Sondheim s works from a distinctly contemporary critical perspective and to consider how these musicals are being reenvisioned today Through chapters focused on individual musicals and others that explore a specific topic as manifested throughout his entire career plus an afterword by Kristen Anderson Lopez by digging deep into the archives and focusing intently on his scores from interviews with performers directors and bookwriters and close study of live and recorded productions volume editor W Anthony Sheppard brings together Sondheim s past with the present thriving existence of his musicals

**The Theatre of Kander and Ebb** Robert Gordon,2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb s collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This

is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb's musicals offering an in depth introduction to their oeuvre      *How Sondheim Can Change Your Life* Richard Schoch,2024-11-19 *How Sondheim Can Change Your Life* makes the case that Sondheim's greatness beyond the clever lyrics and adventurous music rests in his ability to tell stories that relate to us all From Louise's desire for freedom as Gypsy Rose Lee to Sweeney Todd's thirst for revenge we as an audience relate easily to Sondheim's characters His works understand us as much as we understand them      *The Musical* William Everett,2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources      **Careful the Spell You Cast** Ben Francis,2023-02-09 Stephen Sondheim is one of the best known and most loved musical theatre composers but also one of the most misunderstood often being labelled as distant or cynical *Careful the Spell You Cast* instead argues that Sondheim firmly belongs to the Broadway aspirational tradition in that many of his characters are defined by their dreams to abandon one's dream as Ben does in *Follies* Frank does in *Merrily We Roll Along* and Addison does in *Road Show* is to lose one's soul Rather than take the established view of Sondheim as a cynic this book contends that throughout Sondheim's work letting go of one's illusions is a process that his characters need to go through that they must cast off illusions and false dreams without becoming cynical and destroying their genuine dreams in the process In turn this view aligns Sondheim's work as being aspirational and a logical continuation from the work of his mentor Oscar Hammerstein II Following the trajectory of Sondheim's career *Careful the Spell You Cast* shows how Sondheim has dramatized this process throughout his writing life alongside different collaborators From his work as a lyricist with the musicals *Gypsy* and *West Side Story* through to his later collaborations with Hal Prince Company *Follies* and James Lapine *Into the Woods* *Sunday in the Park with George* this book reframes the established view through lyrical and structural analysis in relation to the characters within each of these celebrated works of musical theatre arguing that Sondheim is in the popular sense of the word a romantic within the tradition of the Broadway musical      *Broadway Rhythm* Dominic Symonds,2017-11-16 *Broadway Rhythm* is a guide to Manhattan like nothing you've ever read Author Dominic Symonds calls it a performance cartography and argues that the city of New York maps its iconicity in the music of the Broadway songbook A series of walking tours takes the reader through the landscape of Manhattan clambering over rooftops riding the subway

and flying over skyscrapers Symonds argues that Broadway's songs can themselves be used as maps to better understand the city though identifiable patterns in the visual graphics of the score the auditory experience of the music and the embodied articulation of performance recognizing in all of these patterns corollaries inscribed in the terrain geography and architecture of the city Through musicological analyses of works by Gershwin Bernstein Copland Sondheim and others the author proposes that performance cartography is a versatile methodology for urban theory and establishes a methodological approach that uses the idea of the map in three ways as an impetus a metaphor and a tool for exploring the city **Stage**

**Directors Handbook** Sarah Hart, 2006 The first and only sourcebook for theatre directors and choreographers

**Showstoppers!** Gerald Nachman, 2016-11-01 Showstoppers is all about Broadway musicals most memorable numbers why they were so effective how they were created and why they still resonate Gerald Nachman has interviewed dozens of iconic musical theater figures to get their inside stories for this book including Patti LuPone Chita Rivera Marvin Hamlisch Joel Grey Edie Adams John Kander Jerry Herman Sheldon Harnick Tommy Tune Harold Prince Donna McKechnie and Andrea McArdle uncovering priceless previously untold anecdotes and details **Creating the "new Musical"** Armin

Geraths, Daniel Brunet, Miguel Angel Esquivel Rios, 2006 This volume is a contribution to the aesthetics of the new musical which has developed into a high art form over the last thirty years The decisive breakthrough occurred with Bernstein's West Side Story in 1957 It was the producer of this show Harold Prince whose subsequent epoch making directorial and conceptual work created the basis on which the individual work of Kander Sondheim and Lloyd Webber reached a unified level of the highest quality The new musical and its creator Harold Prince were the subjects of a symposium held at the Neuköllner Oper in Berlin a few days after the World Premiere of Bounce in the presence of the Broadway Master Contributors were academics and theatre practitioners offering a double perspective modeled on the outstanding example of the collaboration set by Foster Hirsch and Harold Prince **The Publishers Weekly**, 2005 *Library Journal* Melvil

Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2005 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Jeff Herman's Guide to Book Publishers, Editors and Literary Agents* 2006 Jeff Herman, 2005-10 Now updated for 2008 this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers editors and agents for their work *Playbill*

, 2003-10 **Directors and the New Musical Drama** Miranda Lundskaer-Nielsen, 2008-03-15 This is one of the first books to offer a rigorous analysis of the enormous changes in the musical theatre during the 1980s and 90s In addition it focuses on the contribution of well known serious theatre directors to the mainstream Musical Theatre and it is the first book to offer a dual Anglo American perspective on this subject **Library Journal**, 2005 *Musical America*, 1917
