Fred Smith, 2015 Developing a Biblical Worldview equips readers to think biblically about the world by helping readers analyze worldviews **Don't Defeat Your Purpose** Dr. Shane Erxleben, 2022-11-03 Dear Reader In this book the Spirit of God led me to give instruction and understanding of being called to preach Without this critical understanding could very well lead someone to do more damage than good thus defeating their purpose of the call The book begins by bringing complete attention to the preacher themselves to recognize the call of the Lord and progress through his process to build character and faith The biggest focus is devoted to receiving the God given message for his people utilizing proper exegetical study to the Word applying proper homiletics provide current application of the Word to bring relevancy and always keep Christ and the cross at the center of it all The book finishes up by demonstrating the need for the preacher to move aside and allow the Holy Spirit and the anointing to bring spiritual change in the people Even though this book was dedicated as a guide for the preacher anyone that is Christian and desires a greater understanding of the Word can apply these concepts as well Blessings Dr Shane Erxleben **Dealing with Mission Drift in Parachurch Agencies** Israel K. Kombaté, 2025-01-31 Mission drift is a constant threat to any parachurch organization trying to remain mission true and holistically relevant in this post Christian society Defining it as a phenomenon in which Christian based mission agencies stray from their God given vision and identity towards socio humanitarian objectives this study considers this in light of Jesus's own holistic mission exemplified in Matthew 9:35-38 and Luke 4:18-19 This insightful investigation into seven Christian NGOs and NPOs seeks to reveal the underlying reasons and motivations for moving towards mission drift Presenting an exegetical study of the ministry of Jesus Dr Kombaté offers a developed and nuanced understanding of the challenging forces that contribute to mission drift and puts forward tools to minimize its risk A must read for missionaries pastors and leaders in parachurch organizations endeavouring to retain a strong biblically grounded commitment to following holistic mission **A Manual for Creating Atheists** Peter Boghossian, 2014-07-01 For thousands of years the faithful have honed proselytizing

strategies and talked people into believing the truth of one holy book or another. Indeed the faithful often view converting others as an obligation of their faith and are trained from an early age to spread their unique brand of religion. The result is a world broken in large part by unquestioned faith. As an urgently needed counter to this tried and true tradition of religious evangelism, *A Manual for Creating Atheists* offers the first ever guide not for talking people into faith but for talking them out of it. Peter Boghossian draws on the tools he has developed and used for more than 20 years as a philosopher and educator to teach how to engage the faithful in conversations that will help them value reason and rationality, cast doubt on their religious beliefs, mistrust their faith, abandon superstition and irrationality, and ultimately embrace reason. **How To**

**Conduct Discipleship Training** Rufus McDowell, D. Min., 2022-03-09. *Leadership Training In Discipleship For Christians With Prior Drug and Alcohol Dependence*. This book is the resultant of my Doctor of Ministry Research Project providing a means for leaders and teachers to learn dynamics to disciple Christians that had prior drug or alcohol dependence. Before implementation of this dissertation, I discovered that there was not a definitive manual to train individuals to facilitate or conduct discipleship programming exclusive and conducive to this group. This book is not only meant to be academic; the intent is to offer concise information and instruction to aid ministers, pastors, church laity, and others delivering drug and alcohol rehabilitative pastoral care. Further usage will aid participants in traditional church, institution, chaplaincy, prison, workplace, and other faith-based settings. Fundamentally, this book insinuates spiritual, social, and emotional suggestions for anyone desiring development in both personal and spiritual formation. In addition, this book will equip you with biblical principles and modalities to teach holistically. These standpoints entail examination of a biblical philosophy of discipleship centered on the Great Commission and Great Commandment in developing a comprehensive strategy involving a theological and practical study and teaching approach. Throughout this study, a small group format is emphasized for training and evaluation, giving particular attention to Christ's model of discipleship with regards to facilitating and coaching. This book will aid in revealing that the culture of the church consists of a unique group of Christians, some of whom have abused drugs or alcohol, served time in prison, and misunderstood in church ministries. *Developments in Christian Thought for OCR* Dennis Brown, Ann Gregg, 2020-05-19. *Developments in Christian Thought for OCR* is an ideal guide for students taking the *Developments in Religious Thought* component of the OCR Religious Studies AS and A Level course. Drawing on insights gained from many years of teaching experience, Ann Gregg and Dennis Brown's landmark book follows the OCR specification closely and includes clear and comprehensive discussion of each topic in the specification, discussion of both historical and cutting edge theological approaches, use of excerpts from primary sources to engage students in theological debate, profiles of important philosophers, theologians, and non-religious thinkers, discussion questions, activity boxes, thought points, and suggestions for further reading, practical ideas on study skills, essay writing, and assessment objectives. *Developments in Christian Thought for OCR* provides a clear, accessible, and comprehensive introduction to each of the topics.

on the course including Augustine on human nature death and the afterlife knowledge of God's existence the person of Jesus Christ Christian moral principles Dietrich Bonhoeffer religious pluralism and theology religious pluralism and society gender and society gender and theology the challenge of secularism liberation theology and Marx Written by two experienced teachers and textbook authors *Developments in Christian Thought* for OCR will assist students of every ability to achieve their best This book which covers component 03 of the OCR H173 and H573 specifications should be paired with *Religion and Ethics for OCR* by Mark Coffey and Dennis Brown which covers component 02 and *Philosophy of Religion for OCR* by Dennis Brown and Ann Greggs which covers component 01
