the Truth Will Make You Free Robert F. Leavitt, 2019-03-15 2020 Association of Catholic Publishers first place award in theology The available literature on the new evangelization is wide ranging and focused on issues of ecclesial renewal In *The Truth Will Make You Free* Fr Robert Leavitt adopts a different approach to the subject From Paul VI until Pope Francis the nature and challenges of modern secularism have become a recurring factor in the agenda of the new evangelization yet often without historical perspective and philosophical balance Few popular works bother to examine in such depth and scope as this book does what the history nature and implications of the secular age are for revitalizing ministry in an age of optional belief Written for the interested layperson seminarian theology student and pastor *The Truth Will Make You Free* is an indispensable catechism for rethinking our understanding of the secular world in proclaiming the Gospel of Christ

Confessions of a Traditional Catholic Matthew Arnold, 2017-09-20 What is Catholic Traditionalism Under what historical and cultural circumstances has it appeared Why do some devout knowledgeable Catholics embrace the paradoxical position that remaining true to Tradition entails deserting the official traditional structure of the Church Most importantly what steps can be taken to help restore unity in the Body of Christ Matthew Arnold a Catholic convert answers these and other questions about Catholic Traditionalism His moving first hand account powerfully demonstrates how a faithful Catholic's legitimate desire for a reverently celebrated liturgy led him to tolerate the irregular situation of Holy Mass celebrated validly but illicitly outside the diocesan structure His compelling testimony also explores how the licit celebration of the Extraordinary Form of the Mass also known as the Traditional Latin Mass can have a positive impact on the life and the liturgy of the Church Told in the context of Arnold's personal witness and spiritual journey this book concisely documents the century long movement to reform the liturgy This candid poignant and often humorous book exposes the spiritual peril at the heart of radical Traditionalism while remaining compassionate toward the legitimate aspirations of Traditional Catholics

Liturgy and Sacrament, Mystagogy and Martyrdom Jeffrey L. Morrow, 2020-10-13 For far too long the Bible has been studied as just one among many historical and cultural documents from ancient history That it is a foundational text for Western civilization is clear What is too often forgotten or ignored in academic discussions however is that the Bible has also inspired the lives of countless saints throughout history men and women who sought to love God and love neighbor to the point of offering heroic sacrifices

sometimes giving up their very lives Much of biblical scholarship over the past two centuries however has reduced the Bible to a dead historical document with little to no relevance for today beyond intellectual curiosity This in part lies at the root of the tragic separation of theology from biblical studies That theology and biblical exegesis are at an impasse has become a commonplace in academic discourse Liturgy and Sacrament Mystagogy and Martyrdom is an attempt to bridge the gap between theology and exegesis It seeks to develop a theological interpretation of Scripture relying upon the best of traditional Christian exegesis and modern biblical scholarship so that the Bible can serve once again as the wellspring of Christian life
