Even Higher A Rosh Hashanah Story:

Even Higher! ,2009 A skeptical visitor to the village of Nemirov finds out where its rabbi really goes just before Jewish New Year when the villagers claim he goes to heaven to speak to God **The Jewish Story Finder** Sharon Barcan Elswit,2012-08-02 Storytelling as oral tradition and in writing has long played a central role in Jewish society Family educators and clergy employ stories to transmit Jewish culture traditions and values This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion Some centuries old and others freshly imagined the tales include animal fables supernatural yarns and anecdotes for festivals and holidays Themes include justice community cause and effect and mitzvahs or good deeds This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey Morocco Libya Tunisia and Chile Subject cross references and a glossary complete the volume a living tool for understanding the ever evolving world of Jewish folklore **The Radical Isaac** Adi Mahalel,2023-04-01 Yiddish and Hebrew writer I L Peretz 1852 1915 was a major leader of Eastern European Jewry in the years prior to World War I and was deeply involved in Jewish politics and communal life throughout his lifetime In *The Radical Isaac* Adi Mahalel examines a central part of his life and art that has often been neglected namely his close alignment with the needs of the Jewish working class and his deep devotion to progressive politics Although there have been numerous studies of Peretz and his work this very central component of his life nonetheless remains severely understudied By offering close readings of the radical Peretz Mahalel recasts the way political activism is understood in scholarly evaluations of the writer's work Employing a partly chronological partly thematic scheme Mahalel follows Peretz's radicalism from its inception and then through the various ways in which it was synchronically expressed during this intense period of history [Celebrate!](#) Lesli Koppelman Ross,2000-10-01 This innovative how to guide and reference book on the Jewish holidays provides a well rounded foundation for both knowledge and action Unlike many books of its kind *Celebrate The Complete Jewish Holidays Handbook* is nondenominational and comprehensive in approach The author includes the historical development religious importance and personal significance of each Jewish holy day in a way that is useful to both beginners and those well versed in Jewish practice The richness and depth of Jewish tradition with a full range of information on why and how to celebrate is presented in a lively warm and user friendly manner **The Jewish Story Finder** Sharon Elswit,2005 A subject guide to hundreds of Jewish stories this book's purpose is to help teachers rabbis librarians folklorists parents and storytellers find the right story to match their need It also will lead educators to a wealth of Jewish stories on universal themes for use in multicultural programs for all ages The stories are numbered for easy reference and grouped in broad categories for example God faith and prayer rabbinic wit and wisdom tricksters and fools festivals and holidays For each story a list of tellings author and book title provides numerous options for the story seeker and a list of keywords connects the story subject categories Two cross referenced indexes make locating stories easy whether by subject

keywords or by title An appendix lists recommended stories for children of different ages from lower elementary through middle school The bibliography of almost 200 story collections and picture book tales gives the information needed to locate a source for every story in the book

The Scholems Jay Howard Geller,2019-03-15 The evocative and riveting stories of four brothers Gershom the Zionist Werner the Communist Reinhold the nationalist and Erich the liberal weave together in *The Scholems* a biography of an eminent middle class Jewish Berlin family and a social history of the Jews in Germany in the decades leading up to World War II Across four generations Jay Howard Geller illuminates the transformation of traditional Jews into modern German citizens the challenges they faced and the ways that they shaped the German Jewish century beginning with Prussia's emancipation of the Jews in 1812 and ending with exclusion and disenfranchisement under the Nazis Focusing on the renowned philosopher and Kabbalah scholar Gershom Scholem and his family their story beautifully draws out the rise and fall of bourgeois life in the unique subculture that was Jewish Berlin Geller portrays the family within a much larger context of economic advancement the adoption of German culture and debates on Jewish identity struggles for integration into society and varying political choices during the German Empire World War I the Weimar Republic and the Nazi era What Geller discovers and unveils for the reader is a fascinating portal through which to view the experience of the Jewish middle class in Germany

Agnon's Story Avner Falk,2018-10-22 Agnon's Story is the first complete psychoanalytic biography of the Nobel Prize winning Hebrew writer S Y Agnon It investigates the hidden links between his stories and his biography Agnon was deeply ambivalent about the most important emotional objects of his life in particular his father teacher his ailing depressive and symbiotic mother his emotionally fragile wife whom he named after her and his adopted home land of Israel Yet he maintained an incredible emotional resiliency and ability to sublimate his emotional pain into works of art This biography seeks to investigate the emotional character of his literary canon his ambivalence to his family and the underlying narcissistic grandiosity of his famous modesty

[A None's Story](#) Corinna Nicolaou,2016-03-29 The rising population known as nones for its members lack of religious affiliation is changing American society politics and culture Many nones believe in God and even visit places of worship but they do not identify with a specific faith or belong to a spiritual community Corinna Nicolaou is a none and in this layered narrative she describes what it is like for her and thousands of others to live without religion or to be spiritual without committing to a specific faith Nicolaou tours America's major traditional religions to see what if anything one might lack without God She moves through Christianity's denominations learning their tenets and worshipping alongside their followers She travels to Los Angeles to immerse herself in Judaism Berkeley to educate herself about Buddhism and Dallas and Washington D C to familiarize herself with Islam She explores what light they can shed on the fears and failings of her past and these encounters prove the significant role religion still plays in modern life They also exemplify the vibrant relationship between religion and American culture and the enduring value it provides to immigrants and outsiders Though she remains a devout none Nicolaou's experiences reveal

points of contact between the religious and the unaffiliated suggesting that nones may be radically revising the practice of faith in contemporary times

Eli's Story Meri-Jane Rochelson, 2018-08-06 Biography of a Jewish doctor who survived and triumphed over the horrors of the Holocaust Eli's Story A Twentieth Century Jewish Life is first and foremost a biography Its subject is Eli G Rochelson MD 1907 1984 author Meri Jane Rochelson's father At its core is Eli's story in his own words taken from an interview he did with his son Burt Rochelson in the mid 1970s The book tells the story of a man whose life and memory spanned two world wars several migrations an educational odyssey the massive upheaval of the Holocaust and finally a frustrating yet ultimately successful effort to restore his professional credentials and identity as well as reestablish family life Eli's Story contains a mostly chronological narration that embeds the story in the context of further research It begins with Eli's earliest memories of childhood in Kovno and ends with his death his legacy and the author's own unanswered questions that are as much a part of Eli's story as his own words The narrative is illuminated and expanded through Eli's personal archive of papers letters and photographs as well as research in institutional archives libraries and personal interviews Rochelson covers Eli's family's relocation to southern Russia his education military service and first marriage after he returned to Kovno his and his family's experiences in the Dachau Stutthof and Auschwitz concentration camps including the deaths of his wife and child his postwar experience in the Landsberg Displaced Persons DP camp and his immigration to the United States where he determinedly restored his medical credentials and started a new family Rochelson recognizes that both the effort of reconstructing events and the reality of having personal accounts that confirm and also differ from each other in detail make the process of gap filling itself a kind of fiction an attempt to shape the incompleteness that is inherent to the story In the epilogue the author reminds readers that the stories of lives don't have clear chronologies They go off in many directions and in some ways they never end An earlier reviewer said of the book Eli's Story combines the care of a scholar with the care of a daughter Both scholars and general readers interested in Holocaust narratives will be moved by this monograph

The Barber in Modern Jewish Culture Irving N. Rothman, 2008 Irving Rothman has been teaching at the University of Houston since 1967 as Professor of English specializing in English Literature of the Restoration and Eighteenth Century

BOOK JACKET

Enduring Questions David Bloome, Evelyn B. Freeman, Rosemary Horowitz, Laurie Katz, 2022-11-28 This accessible guide to Jewish children's literature explores many of the enduring questions of the Jewish tradition What is Jewish history What are love wisdom humor ritual evil and justice Jewish children's literature matters for all children and with this practical guide parents and teachers will be empowered to choose and discuss books and stories with Jewish or non Jewish children Jewish children's literature is often absent in school classrooms and when it is available it presents a picture to children of Jews as victims Enduring Questions provides teachers with guidance in the use of Jewish children's literature in the preschool and elementary school classroom Enduring Questions includes extensive bibliographies of Jewish children's literature digital resources for teachers and suggestions for further

reading With summaries of suggested books and texts honest recommendations from teachers who have used these texts in the classroom and practical curricular connections this comprehensive book is suited for those looking for an introduction to teaching Jewish children s literature and those familiar with it The book provides a framework about the use of Jewish children s literature as an opportunity for all children both Jewish and non Jewish to be philosophers and engage in dialog and debate The enduring questions thoughtfully explored through Jewish literature are important for all students growing up in a diverse multicultural world

Insight and Imagination Howard F. Stein, 2007-05-30 Insight and Imagination explores the primacy of the self in organizational research consulting and management leadership Contesting the radical dichotomy between objective and subjective understanding and the devaluation of the latter Professor Howard F Stein argues that the imagination of the observer informed by his or her unconscious can lead to a greater understanding of the psychological reality of the workplace and in turn to better informed problem solving Insight emerges from the disciplined use of the imagination rather than its repudiation The book brings countertransference to center stage as a tool for understanding the emotional experience of organizational life and for formulating interventions One often neglected use of the imagination is the capacity to not have to know beforehand what one needs to learn what poet John Keats called negative capability Insight and Imagination proposes the use of the humanities as a means of expanding and deepening one s access to the inner life of organizations The author draws from the art created by others and from his own poetry written and often used during an organizational consultation Among the specific contexts discussed in this book are the experience of organizational downsizing helping organizations to grieve after change and loss recognizing red herrings in organizational decision making the language of organizational change recognizing hidden agendas in meetings and reflective practice in organizational life

The Jewish Confederate Story Samuel Jay Korson, 2023-05-26 The American Civil War was a defining moment in US history and its underlying issue of slavery divided the nation In this insightful historical investigation author Samuel Jay Korson who writes from the perspective of his own Jewish faith sheds light on the experiences of Jewish individuals living in the Confederacy during this tumultuous time Southern Jews found themselves in a complex position facing a conundrum that forced them to navigate a double edged sword Living in a majority Christian society where many participated in slavery and anti Semitism ebbed and flowed many Southern Jews opposed slavery on moral grounds while others participated in various aspects of a slave society to assimilate into their communities Despite practicing their faith and observing important Jewish holidays like Passover Hanukkah and Shabbat Southern Jews were caught in the middle of a divisive issue that even Jewish clergy struggled to reconcile Using Jewish law halacha rabbis in both the North and South vehemently argued both sides of the slave issue Through this compelling exploration readers gain a deeper understanding of how the Civil War affected not only the United States but also the Jewish community as a whole By examining the experiences of Southern Jews during this pivotal moment in history Samuel Jay Korson reveals a unique perspective on a complex and multifaceted topic *Jesus: His*

Story in Stone Mike Mason, 2017-09-12 *Jesus His Story in Stone* is a reflection on still existing stone objects that Jesus would have known seen or even touched Each of the seventy short chapters is accompanied by a photograph taken on location in Israel Arranged chronologically the one page meditations compose a portrait of Christ as seen through the significant stones in His life from the cave where He was born to the rock of Calvary While packed with historical and archaeological detail the book's main thrust is devotional leading the reader both spiritually and physically closer to Jesus **The Publishers**

Weekly, 2009 **The Messiah and the Jews** Elaine Rose Glickman, 2013 A comprehensive inspiring and fascinating discovery of what Jews believe about the Messiah and why you might believe in the Messiah too The conviction that the Messiah is coming is a promise of meaning It is a source of consolation It is a wellspring of creativity It is a reconciliation between what is and what should be And it is perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 The Messiah Is Coming The coming of the Messiah the promise of redemption is among Judaism's gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish **The Story of the Christ** Scot McKnight, Philip

Law, 2005-11-21 Scot McKnight offers an accessible introduction to the life and work of Jesus He begins by offering helpful background information on the reliability of the Gospels the religious setting of Jesus' life the heart of Jesus' teaching and a summation of what kind of person Jesus was The book then gives a continuous narrative account of the life and words of Jesus woven together from the four canonical Gospels This lets the story of the Christ speak for itself in the events of Jesus' birth and early years his baptism and early ministry the Sermon on the Mount his healings and teachings the road to Jerusalem the way to the cross and his passion and resurrection Publisher **THE SHOULDING A Story of Resilience and Hope** Roberta Brown, 2016-07-07

THE SHOULDING A Story of Resilience and Hope is my journey from being a child abuse and domestic abuse survivor to the happy healthy person I am today Each chapter takes the reader through the events of my dysfunctional relationships and how that dysfunction impacted every aspect of my life I suffered through agoraphobia anxiety obsessive compulsive disorder and post traumatic stress disorder At age 51 I got the final piece of the puzzle that set me free and led me to emotional and mental health I was raised in a middle class Jewish home in Minneapolis Minnesota No one had any idea what was going on behind closed doors Honestly I don't think I understood the gravity of what was happening I just thought everyone got beaten up at home I have spent years in therapy trying to understand my life I can

proudly say that agoraphobia is no longer an issue My anxiety obsessive compulsive disorder and post traumatic stress disorder are minimal so I believe I have won the battle Writing my autobiography memoir was daunting to say the least My writing style is conversational as if I m having coffee with my reader I think with my relaxed writing style and the humor I include which is my greatest coping skill I hope that the reader will understand their own similar circumstances and maybe even try some of the things that have helped me through some of the toughest parts of my life For me the goal of THE SHOULDING A Story of Resilience and Hope is to help others

A Simple Story Shmuel Yosef Agnon,1999 A small town in southern Poland is the scene of this bittersweet romance set at the turn of the century Celebrated Israeli novelist S Y Agnon draws on techniques perfected by Gustave Flaubert and Thomas Mann to contrast the hero s romantic longings with the interest of bourgeois society Back cover

The Choosing Andrea Myers,2011 In The Choosing Andrea Myers fuses heartwarming anecdotes with rabbinic insights and generous dollops of humor to describe what it means to survive and flourish on your own terms Portioned around the cycle of the Jewish year with stories connected to each of the holidays Myers draws on her unique path to the rabbinate leaving behind her Christian upbringing coming out as a lesbian discovering Judaism in college moving to Israel converting and returning to New York to become a rabbi partner and parent

Eventually, you will completely discover a supplementary experience and finishing by spending more cash. yet when? complete you bow to that you require to acquire those every needs similar to having significantly cash?
