- Recognize past and present U S presidents
- Define a variety of government systems including democracy

learning meaningful as well as fun Pearson creates education materials for all types of learners When creating a program we ensure that the material will be accessible to as many students as possible and as such we create many ancillary products to fit specific situations to meet a variety of needs While there are many components to each of our overall educational programs some of these ancillaries do not meet the needs of homeschoolers others do not make sense in a homeschool environment and some require an expensive technological infrastructure to deploy The homeschool product configurations while selected from a larger program are complete curriculum bundles designed for your children to be engaged and to thrive while being mindful of your budget It is important to note that at times there will be resources mentioned throughout your materials that are not included in your package however this will not hinder your child s successful completion of the course
