## **Everybody's Normal Till You Get To Know Them:**

*Everybody's Normal Till You Get to Know Them* John Ortberg, 2009-05-18 Normal Who's normal? Not you, that's for sure. No one you've ever met either. None of us are normal according to God's definition, and the closer we get to each other, the plainer that becomes. Yet for all our quirks, sins, and jagged edges, we need each other. Community is more than just a word; it is one of our most fundamental requirements. So how do flawed, abnormal people such as ourselves master the forces that can drive us apart and come together in the life-changing relationships God designed us for? In *Everybody's Normal Till You Get to Know Them*, teacher and bestselling author John Ortberg zooms in on the things that make community tick. You'll get a thought-provoking look at God's heart, at others, and at yourself. Even better, you'll gain wisdom and tools for drawing closer to others in powerful, impactful ways. With humor, insight, and a gift for storytelling, Ortberg shows how community pays tremendous dividends in happiness, health, support, and growth. It's where all of us weird, unwieldy people encounter God's love in tangible ways and discover the transforming power of being loved, accepted, and valued just the way we are.

**SUMMARY - *Everybody's Normal Till You Get To Know Them* By John Ortberg** Shortcut Edition, 2021-06-19 Our summary is short, simple, and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will discover that you live in an imperfect community, but that you can always do something to make it better. You will also learn that you cannot live without others; human relationships are naturally chaotic, and you will only build real relationships if you remain authentic. There are many ways to improve your interpersonal relationships; others are there to help you. Of all the relationships you have with others on a daily basis, the proportion of people you really know is very small. As a result, you are often confronted with conflict, mistrust, and slander. You may find it difficult to fully appreciate others because you perceive only a small part of who they really are. There is nothing satisfying about living in a community. What you need is to get closer to others, but you just don't know how to do it. So how do you live together so that no one feels alone anymore? Buy now the summary of this book for the modest price of a cup of coffee. **The Publishers Weekly**, 2004

**In Granite Or Ingrained?** Skip MacCarty, 2007 Popular claims about the old and new covenants have diminished the gospel and narrowed the faith and spiritual life of millions of Christians. Those claims have introduced confusion about what it truly means to keep the commandments of God, and the faith of Jesus Christians earnest in their walk with the Lord will see a dynamic element of the gospel in the profound relationship between love and law. They will perhaps for the first time understand the apparent dichotomy of old and new covenants in the New Testament. And in the process, they will be confronted with a powerful appeal and an unmistakable warning. Cassette Books Library of Congress.
