## **Everyday Miracle Impossible Possible God Luke:**

*An Everyday Miracle* Jennifer Muszik, 2015-12-11 In February 2015 everything changed in an instant for Jennifer Muszik. One moment she had a healthy loving husband who embraced his role as stay at home dad for their three children. The next moment she was dealing with a shocking reality. Paul was on life support and the doctors did not think he would make it through the next hour. Much less the night Jennifer soon learned Paul was suffering from toxic shock syndrome and hung precariously between life and death while she helplessly watched. As family arrived for what they believed would be their last moments together with Paul, Jennifer realized she had a choice to make: either focus on the dire prognosis or focus on God and pray for Him to heal her husband. Jennifer fixed her eyes on God and engaged their community to pray with her on their journey. And what happened next was nothing short of an everyday miracle. In this moving story, a wife and mother shares how she prayed God would save her husband from almost certain death and in the process illustrated to others that He is always there, no matter how difficult the circumstances.

**God's Everyday Miracles** Susan Marie, 2021-03-16 2 God's Everyday Miracles can often go ignored or forgotten, wiped away as coincidence or just good fortune. God is constantly working in our lives, and we simply become oblivious to it. I don't believe that this is our intention, but the world can unknowingly skew our vision. This workbook is intended to aid us in removing the blinders over our eyes. It is also partly intended to function as a journal so that you, the reader, may use it as a tool to regain your vision. Let's start re-training ourselves to see and acknowledge where we should be singing God's praises. Let's train ourselves to begin looking into our lives and notice where He has been at work. Let's develop a God microscope to help us interpret our crazy lives and see where we have experienced God's mighty hand. I have both heard and experienced countless acts of God. We all have. God is constantly active in our lives. Let's stop sweeping His miracles under the rug. Instead, let us start uncovering them. Let's start training ourselves to notice them so we can sing about them. Let's praise His mighty name.

**Everyday Miracles** Stephanie Nixon, 2019-06-07 Do Miracles still happen today? Many people answer yes, they do. Even in the most ordinary events of everyday life, we can trace the hand of God bringing help and kindness into our lives. For some, this is a miracle indeed. This book shares the stories of dozens of people who claim to have experienced healing, comfort, and answers to prayer in the ordinary and everyday course of their lives. It will encourage the reader to know that God cares about us all.
