History of Everyday Life in Scotland, 1800 to 1900 Graeme Morton,2010-08-31 This volume explores the experience of everyday life in Scotland over two centuries characterised by political religious and intellectual change and ferment It shows how the extraordinary impinged on the ordinary and reveals people s anxieties joys comforts passions hopes and fears It also aims to provide a measure of how the impact of change varied from place to place The authors draw on a wide range of primary and secondary sources including the material survivals of daily life in town and country and on the history of government religion ideas painting literature and architecture As B S Gregory has put it everyday history is an endeavour that seeks to identify and integrate everything all relevant material social political and cultural data that permits the fullest possible reconstruction of ordinary life experiences in all their varied complexity as they are formed and transformed

Finding History Christine Bombaro,2012-09-06 In today s world of modern research methods the irony is that even though more materials are readily available now than ever before this proliferation of sources has actually made the process more difficult for the novice researcher In addition today s professors expect high quality sources to be used in students undergraduate research precisely because so much information is available however without instruction many students are

not even aware of the standard history sources that they should be using routinely for history research projects Finding History is a practical and modern guide to research for history projects helping to sort through the available resources and technology for students scholars and librarians Finding History includes practical step by step instructions for discovering historical evidence using library catalogs databases and websites It simplifies and clarifies the research process so that students new to the experience may locate appropriate research material with the same skill as seasoned historians This book addresses the information literacy skills defined by the American Library Association and the American Historical Association which include recognizing the need for scholarly historical information defining and identifying the need for primary secondary and tertiary sources knowing what finding tools are available to help locate historical sources using history research tools efficiently and effectively learning research vocabulary as well as the vocabulary of the historical profession making evaluative judgments about the scholarly value of materials once they are located physically acquiring research materials using research material effectively to support a thesis or argument and using research material ethically and responsibly Including search samples and tables Finding History is a valuable resource for anyone wanting to ensure their research draws from the best available sources and those needing instruction in locating obtaining evaluating and using scholarly sources efficiently directly and ethically

Finding Solid Ground Rev. Robert Emerick, 2018-01-04 In 2011 Emerick an ordained minister in the United Methodist Church and a licensed clinical social worker embarked on a self directed study to educate himself about the nation's principal political disputes He discovered that America's dominant political and economic theories are pitting the demands of the individual against the needs of the community But in the Constitution's preamble the concerns of individual liberty and the general welfare are given equal weight and a more equitable national philosophy will combine the two He also discovers contrary to the opinions of many that the federal government's active role in fiscal affairs can have a stimulating effect and trickle down economics has largely been a failure Emerick makes an attempt to reconcile political polarities offering a way to structure an economy that he calls a Preamble Economy In the second part of the book the author argues that Christianity has drifted away from the true ministry of Jesus replacing his core message of love with errant institutional doctrine Emerick singularly focuses on the sayings of Jesus the book includes a collection of all of them in order to excavate that teaching Emerick writes in unfailingly lucid prose and his command of the issues is notable Kirkus Reviews

Global Perspectives on Early Medieval England Debby Banham, 2022 Interrogations of materiality and geography narrative framework and boundaries and the ways these scholarly pursuits ripple out into the wider cultural sphere Early medieval England as seen through the lens of comparative and interconnected histories is the subject of this volume Drawn from a range of disciplines its chapters examine artistic archaeological literary and historical artifacts converging around the idea that the period may not only define itself but is often defined from other perspectives specifically here by modern scholarship The first part considers the transmission of material culture across borders while querying the possibilities and limits of comparative and transnational approaches taking in the spread of bread wheat the collapse of the art historical decorative and functional and the unknowns about daily life in an early medieval English hall The volume then moves on to reimagine the permeable boundaries of early medieval England with perspectives from the Baltic Byzantium and the Islamic world including an examination of Vercelli Homily VII from John Chrysostom s Greek Homily XXIX H r n ibn Ya y s Arabic descriptions of Bar niyah Britain and an consideration of the Old English Orosius The final chapters address the construction of and responses to Anglo Saxon narratives past and present they look at early medieval England within a Eurasian perspective the historical origins of racialized Anglo Saxonism s and views from Oceania comparing Hiberno Saxon and Anglican Melanesian missions as well as contemporary reactions to exhibitions of Anglo Saxon kingdoms and Pacific Island cultures Contributors Debby Banham Britton Elliott Brooks Caitlin Green Jane Hawkes John Hines Karen Louise Jolly Kazutomo Karasawa Carol Neuman de Vegvar John D Niles Michael W Scott Jonathan Wilcox Finding Identity Through Directing Soseh Yekanians, 2020-05-10 Finding Identity through Directing is a practice led autoethnographical monograph that provides an in depth exploration into the field of theatre directing and an individual s endless creative pursuit for belonging The book specifically examines how a culturally displaced individual may find a sense of identity through their directing and addresses the internal struggles of belonging acceptance and Self that are often experienced by those who have confronted cultural unhoming The first half of the story scrutinises Dr Yekanians own identity as an Iranian born Armenian Australian and how she struggled with belonging growing up in a world that for the most part was unaccepting of her differences The second half looks at how theatre directing aided her re discovery of Self While evidence shows that within the past decade there has been a growing interest in the vocation of theatre directing embarking on a career within this field while exciting can often be a daunting and experimental vocation Finding Identity through Directing questions this conundrum and specifically asks in a competitive artistic profession that is rapidly developing what attracts an individual to the authoritative role of the director and what are the underlying motivations of this attraction By uncovering that there is

more to the role of the director than the mere finality of a production we can observe that the theatre is a promising setting for cultural exchanges in dialogue and for personal development Theatre directing as the vehicle for these expansions and progressions of self can potentially address the internal struggles of identity often experienced by those who in some form have encountered cultural displacement A Glimpse into Medieval Times: Surviving and Thriving in the Middle Ages

Pasquale De Marco,2025-03-17 Step back in time and immerse yourself in the captivating era of the Middle Ages with this comprehensive guide to a world of knights castles and cathedrals Discover the intricate tapestry of medieval life from the grand halls of power to the humble cottages of the peasantry Journey through the bustling streets of medieval towns where merchants and artisans ply their trade and witness the grandeur of castles and cathedrals symbols of both temporal and spiritual authority Delve into the complex social structure of the Middle Ages where nobles clergy and peasants each played their distinct roles in a world governed by tradition and hierarchy Explore the intellectual and spiritual currents that shaped medieval society Encounter the scholars and theologians who debated the nature of existence in the world's first universities and discover the profound influence of religion on every aspect of medieval life Witness the rise of the Crusades holy wars that sought to reclaim the Holy Land from Muslim rule Uncover the hidden world of medieval beliefs and practices from the healing arts to the supernatural Learn about the role of superstition and faith in everyday life and encounter a world where saints and sinners miracles and witchcraft coexisted in an uneasy balance Through vivid storytelling and captivating historical accounts this book brings the Middle Ages to life revealing the grandeur and the challenges of a time that continues to fascinate and inspire From the clash of armies on the battlefield to the quiet contemplation of monks in their cells this book offers a comprehensive and captivating exploration of a pivotal era in human history If you like this book write a review Discovering Indigenous Lands

Robert J. Miller,2010-08-12 North America New Zealand and Australia were colonised by England under an international legal principle that is known today as the doctrine of discovery This book analyses how this doctrine was used to gain control over the indigenous peoples and how this control continues to this day

Discovering the Riches of the Word ,2015-02-24 The contributions to *Discovering the Riches of the Word* Religious Reading in Late Medieval and Early Modern Europe offer an innovative approach to the study of religious reading from a long term and geographically broad perspective covering the period from the thirteenth to the seventeenth century and with a specific focus on the fifteenth and the sixteenth centuries Challenging traditional research paradigms the contributions argue that religious reading in this long fifteenth century should be described in terms of continuity They make clear that in spite of confessional divides numerous reading practices continued to exist among medieval and early modern readers as well as among Catholics and Protestants and that the two groups in certain cases even shared the same religious texts Contributors include Elise Boillet Sabrina Corbellini Suzan Folkerts I onore Fourni Wim Fran ois Margriet Hoogvliet Ian Johnson Hubert Meeus Matti Peikola Bart Ramakers Elisabeth Salter Lucy Wooding and Federico Zuliani
