Everything Forever:

More Everything Forever Adam Becker, 2025-04-22 This wild and utterly engaging narrative Melanie Mitchell shows why Silicon Valley's heartless baseless and foolish obsessions with escaping death building AI tyrants and creating limitless growth are about oligarchic power not preparing for the future Tech billionaires have decided that they should determine our futures for us According to Elon Musk Jeff Bezos Sam Altman and more the only good future for humanity is one powered by technology trillions of humans living in space functionally immortal served by superintelligent AIs In More Everything Forever science journalist Adam Becker investigates these wildly implausible and often profoundly immoral visions of tomorrow and shows why in reality there is no good evidence that they will or should come to pass Nevertheless these obsessions fuel fears that overwhelm reason for example that a rogue AI will exterminate humanity at the expense of essential work on solving crucial problems like climate change What's more these futuristic visions cloak a hunger for power under dreams of space colonies and digital immortality The giants of Silicon Valley claim that their ideas are based on science but the reality is darker they come from a jumbled mix of shallow futurism and racist pseudoscience More Everything Forever exposes the powerful and sinister ideas that dominate Silicon Valley challenging us to see how foolish and dangerous these visions of the future are

The Villanelle Collection Ferrick Gray,Kim Leighton,2022-11-17 Today the villanelle is accepted to be a nineteen line poem consisting of five tercets and a final quatrain using two rhymes in a specified order Throughout the poem there are two repeated lines called the refrain The beauty of the villanelle lies in its song like nature and their refrains impart this musical quality This book is a small collection of twenty villanelles written by Kim Leighton and Ferrick Gray [Minorphysics](#) Paul Mitchell,2003 This collection of poems delivers astute social commentary on contemporary Australian life thats compelling insightful and funny all at the same time Mitchell moves from the poetry of the self family and the everyday to connect with the wider world in poems that are at times achingly tender and at times scathingly wry The language is simple and concise yet there is great depth and substance of themes This is the most accessible collection of poetry to be published in Australia in many years *The Protestant Bible Correctly Translated* William Harwood,2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has

been the rendering of the Hebrew word allahiym as the male proper name God Allahiym is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiym a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact www.worldaudience.org **"The Human Pathway"** JIM KNUT. LARSSON, 2010-11-15 Jim Knut Larsson establishes that the foundation for freewill meaning and purpose is anchored in the latest findings in quantum mechanics and cosmology empowering us to create the future The Human Pathway is destined to become the catalyst for a transformation in politics justice government economics and spiritualism What choices does humanity need to make now in order to avoid destruction What goals can we set up to maximize meaning and purpose both for the individual and also for all of humanity The Human Pathway might be the most important inspiring and interesting book you will ever read Our future depends upon your participation Also included as an addendum What to do in case of arrest It could save your life or someone close to you A must read Some more questions What is enlightenment Why the earth created humans What would be the ultimate goals for humanity How can you unleash your creative powers and create your own future Why every act movement and thought is a manifestation of freewill and why it affects the evolution of the universe Why the living standard in the US declines daily Why there are more than 3 million people in jail and more than 50 million with a criminal record People in America always talk about they Back then they castrated people who were homosexuals They had strict laws against sodomy They did radiation experiments on the population The question is who are they Revelation Does it matter if you are resurrected at some point in the future It is your desire to know the truth that drives your desire for resurrection You will live forever as long as humanity or if human intelligence lives on forever because what is living even if your ego is dead is you being one with humanity Individuals only manifest by their clinging to their egos This clinging prevents you from becoming creative happy and blissful If you get rid of your ego which should be everybody's goal you will dedicate yourself to the eternal now and to serve humanity A great quest is to help humanity reach its highest potential and to achieve absolute knowledge finish the creation of the universe and acquire the power to recreate everything that existed forever Then at that point you will be resurrected However there is a final revelation and if it is revealed to you it will give you absolute knowledge and peace This final revelation is the logical conclusion of this book Understand what is written and the truth will be revealed to you When it is you will understand that it cannot be directly communicated and understood by others unless they have the same revelation You will know that you have the final knowledge when you get the revelation and you don't need to seek validation for it However you want to share it with others Study the revelations in this book and hopefully you will get it You will know it when you do We need to dismantle many laws and make society free again We must get the government out of our lives The benefit you get from reading my book is that you will be able to see through the myths When you read my book you will become an enlightened person

Actually after you read this book you will say I m enlightened now You will have revelations that will make you enjoy life more and become a happier person but also you will no longer be seduced by propaganda This in the end is a book of cosmic and spiritual enlightenment and enlightenment with regard to politics economics and justice What does it mean to be an enlightened person who helps secure the future prosperity and excitement of living for yourself and for humanity as a whole Another bonus from this book is that you may no longer fear death You will become a participant in the conversation and the future goals and aspirations of humanity
