A Theory of Contract Law Peter A. Alces, 2011 In the past few decades scholars have offered positive normative and most recently interpretive theories of contract law This title confronts the leading interpretive theories of contract and demonstrates their interpretive doctrinal failures

New England Law Review: Volume 50, Number 3 - Spring 2016 New England Law Review, 2016-08-24

An International Restatement of Contract Law: The UNIDROIT Principles of International Commercial Contracts Michael Joachim Bonell, 2005-11-15 The Unidroit Principles of International Contracts first published in 1994 have met with extraordinary success in the legal and business community worldwide Prepared by a group of eminent experts from all major legal systems of the world they provide a comprehensive set of rules for international commercial contracts Available in more than 20 language versions they are increasingly being used by national legislatures as a source of inspiration in law reform projects by lawyers as guidelines in contract negotiations and by arbitrators as a legal basis for the settlement of disputes In 2004 a new edition of the Unidroit Principles was approved containing five new chapters and adaptations to take into account electronic contracting This new edition of *An International Restatement of Contract Law* is the first comprehensive introduction to the Unidroit Principles 2004 In addition it provides an extensive survey and analysis of the actual use of the Unidroit Principles in practice with special emphasis on the different ways in

which they have been interpreted and applied by the courts and arbitral tribunals in the hundred or so cases reported worldwide The book also contains the full text of the Preamble and the 180 articles of the Unidroit Principles 2004 in Chinese English French German Italian and Russian as well as the 1994 edition in Spanish Published under the Transnational Publishers imprint An International Restatement of Contract Law Michael Joachim Bonell,2009-03-01 The Unidroit Principles of International Contracts first published in 1994 have met with extraordinary success in the legal and business community worldwide Prepared by a group of eminent experts from all major legal systems of the world they provide a comprehensive set of rules for international commercial contracts Available in more than 20 language versions they are increasingly being used by national legislatures as a source of inspiration in law reform projects by lawyers as guidelines in contract negotiations and by arbitrators as a legal basis for the settlement of disputes In 2004 a new edition of the Unidroit Principles was approved containing five new chapters and adaptations to take into account electronic contracting This new edition of An International Restatement of Contract Law is the first comprehensive introduction to the Unidroit Principles 2004 In addition it provides an extensive survey and analysis of the actual use of the Unidroit Principles in practice with special emphasis on the different ways in which they have been interpreted and applied by the courts and arbitral tribunals in the hundred or so cases reported worldwide The book also contains the full text of the Preamble and the 180 articles of the Unidroit Principles 2004 in Chinese English French German Italian and Russian as well as the 1994 edition in Spanish Published under the Transnational Publishers imprint **Insincere Promises** Ian Ayres,Gregory Klass,2008-10-01 How can a promise be a lie Answer when the promisor never intended to perform the promise Such incidences of promissory fraud are frequently litigated because they can result in punitive damages awards And an insincere promisor can even be held criminally liable Yet courts have provided little guidance about what the scope of liability should be or what proof should be required This book the first ever devoted to the analysis of promissory fraud answers these questions Filled with examples of insincere promising from the case law as well as from literature and popular culture the book is an indispensable guide for those who practice or teach contract law The authors explore what promises say from the perspectives of philosophy economics and the law They identify four chief mistakes that courts make in promissory fraud cases And they offer a theory for how courts and practitioners should handle promissory fraud cases **Cases and Problems on Contracts** John D. Calamari,2011 This text employs the problem method together with case dissection to develop students interest increase their store of knowledge and help them exercise analytical thinking and master basic contracts Used in conjunction with the hornbook Calamari Perillo on Contracts this methodology allows the students to explore a rich array of practical applications of the cases UCC Articles 1 and 2 are included as appendixes Many new cases in this edition were decided in the 21st century and involve current issues Materials are streamlined to facilitate coverage in courses of fewer than 6 hours These materials together with the teacher s manual provide exceptional guidance especially for new teachers Contract Law

Brian Bix, 2012-10-15 This book offers an accessible introduction to American contract law useful to both first year law students and advanced contract scholars *Cases and Problems on Contracts* John D. Calamari, Joseph M. Perillo, Helen Hadjiyannakis Bender, 2007 The methodology in Cases and Problems on Contracts started as a successful experiment Students are forced to exercise analytic thinking prior to coming to class and master basic contracts by working problems and dissecting cases The material employs the problem method in tandem with case dissection to develop students interest and increase their store of knowledge A large number of the cases were decided in the twenty first century and involve current issues The coursebook also includes many cases involving lawyers contracts to illuminate various aspects of professional responsibility demonstrating that the law governing lawyers contracts is different *Outlines of Islamic Jurisprudence - Sixth Edition* Imran Ahsan Khan Nyazee, 2019-08-29 Outlines of Islamic jurisprudence covers a number of topics of *usul al fiqh* sometimes in abridged form that have been covered in the title on the subject of Islamic Jurisprudence by the same author The significance of this book can only be understood through a comparison with that book Islamic jurisprudence focuses on the discipline of *usul al fiqh* and deals with it in an exhaustive way It thus covers the different aspects of interpretation and theories of Islamic law The present book includes some of the topics covered in that book The bulk of Outlines of Islamic Jurisprudence however summarizes the entire law of Islam presenting it in a concise yet effective way Due to the treatment of the entire Islamic law in a comprehensive way the book is like a short encyclopedia The book was first published in 1998 and is now in its sixth edition It is very popular among law students lawyers and even the general readers *Issues In Race And Ethnicity, 6th Edition* CQ Researcher, 2012-09-15 This new sixth edition brings together nuanced treatment of some of today's most pressing matters in the politics of race and ethnicity from immigration policy and the changing demographics of the U S electorate to promoting racial diversity in public schools and the impact of hate speech Sure to spark lively classroom discussion Issues in Race and Ethnicity allows students to see an issue from all sides and examine how policy is made and implemented Each chapter examines the key players stakes and lessons for the future while covering the range of fact analysis and opinion surrounding each issue For current coverage your students will appreciate the balanced and unbiased reporting of CQ Researcher along with the following useful features a pron box that examines two competing sides of a single question a detailed chronology an annotated bibliography and web resources and photos charts graphs and maps Customize your own book Choose from an extensive collection of CQ Researcher articles and create the Issues in Race and Ethnicity that is perfect for your class Find out more at custom.cqpress.com [Cases on Business Law Selected, with Notes, and Problems](#) Leslie James Ayer, 1927 *Gapenski's Cases in Healthcare Finance, Sixth Edition* George H. Finance gives students an opportunity to bridge the gap between learning theoretical concepts in the classroom and applying those concepts in the real world. By working the cases in this book, students who have a basic understanding of healthcare finance can better prepare for the multitude of problems they will face in practice. The book's 32 case studies feature a variety of healthcare settings from hospitals and clinics to medical practices, home health organizations, integrated delivery systems, and more. Each case focuses on a single issue related to a specific area of financial management including Cost behavior and profit analysis, Cost allocation, Pricing, planning and budgeting, Capital acquisition and allocation, Financial condition analysis, and forecasting, Current asset management, Business valuation. The cases are supported by an extensive array of ancillary resources including spreadsheet models for both instructors and students, case questions and solutions, and PowerPoint slides, all substantially updated and reorganized for this edition. Since 2000, this highly regarded book has been used in healthcare finance courses throughout the United States. Original author Louis C. Gapenski was recognized both nationally and internationally as an expert in healthcare finance. In the sixth edition, authors George H. Pink and Paula H. Song carry forward Dr. Gapenski's legacy to the field of healthcare administration. As the provision of healthcare continues to evolve and advance, this book will help students develop the insight and judgment they need as future leaders. Cases and
