*Non-Western Theories of International Relations* Alexei D. Voskressenski, 2016-12-16 This book addresses the problem of World Regional Studies and its components regional complexes regional subsystems and global regions With an increasingly complex international system and the emergence of new actors it is clear that the conceptual framing within the classical disciplines of IR Political Theory International Political Economy or Comparative Politics can no longer fully explain a number of processes originating from a tighter and intricate nexus between local regional and global dimensions World Regional Studies explains the emergence of new phenomena in international relations and world politics on a regional and predominantly non Western regional level How do non Western societies react to the transformations of the global order Is a non Western democracy possible Should we discuss the possibilities for the appearance of a non Western IR theory or a new framework for analyzing de westernized global development This study based on decade long research and teaching post in World Regional Studies at MGIMO University and Russian University of Humanitarian Studies RGGU seeks to answers these questions

*Russian Government and Politics* Eric Shiraev, 2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018 s presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power constitutional amendments events in Ukraine political opposition economic and business policies domestic and global

challenges facing Russia and Russia's vision of the world Accompanied by a revamped set of online resources such as multiple choice questions and PowerPoint slides *The Comparative Method and Civil-Military Relations* J. 'Bayo Adekanye, 2024-10-11 Comprising critical writings in civil military relations theory and research this book of essays integrates the ideas and insights drawn from political science particularly its subfields of comparative politics theory and methodology both normative and empirical with those from the combined disciplines of philosophy of science history sociology and development studies bringing out the relevance of these ideas and insights for understanding and analysing the issues central to the place and role of military in the Nigerian society This book will be useful to students academics journalists and activists working on Nigeria in particular and Africa in general Print edition not for sale in Nigeria

*Comparative Politics* J. C. Johari, 1982 *Issues and Methods in Comparative Politics* Todd Landman, Edzia Carvalho, 2016-12-01 Building on the strengths of the third edition this highly regarded textbook continues to provide the best introduction to the strategies of comparative research in political science Divided into three parts the book begins by examining different methods applying these methods to dominant issues in comparative politics using a wealth of topical examples from around the world and then discusses the new challenges in the area This thoroughly revised and updated edition features Additional contemporary case studies including the democratisation of technology and the Arab Spring Detailed discussion of regression analysis and diffusion More analysis of justice inequality and compliance Reflection on new methods and treatments of contemporary comparative politics Balancing reader friendly features with high quality analysis makes this popular academic text essential reading for everyone interested in comparative politics and research methods

*Comparative Politics* Paul W. Zagorski, 2012-09-10 *Comparative Politics Continuity and Breakdown in the Contemporary World* is an exciting new core text for introduction to comparative politics courses focusing on the dynamics of politics modernization revolution coups and democratization Unlike other texts *Comparative Politics* integrates thematic and extensive country specific material in each chapter striking a unique balance between discussing a wide range of countries and civilizations in detail whilst using shorter focused textboxes to clearly illustrate key thematic points Key features and benefits include explanations of core concepts such as state nation regime legitimacy modernization globalization revolution and mass movements an introduction of key theoretical approaches such as institutionalism structural functionalism political culture political economy and game theory detailed coverage of democratization advanced democracies developing countries and communist and post communist states a range of perspectives to present a nuanced view of the discipline and contemporary political developments case studies of individual countries including Germany the United States Russia Iran Saudi Arabia Iraq Nigeria Zaire Congo South Africa Brazil Argentina Peru Pakistan India Japan Indonesia Taiwan and the People's Republic of China country focused textboxes giving a chronology of key developments including the United Kingdom France Afghanistan and Kosovo Extensively illustrated throughout with maps photographs tables and explanatory boxes
