Stories in Music™: Casey at the Bat (Audio CD)

London Philharmonic Orchestra, Stephen Simon, conductor/composer,

Yoko, narrator. New release: February 2005 by Magic Maestro Music™

COMMENT:

Casey at the Bat is perhaps America's best-known poem. Written in 1888 by a young newspaper columnist, it has retained a place in the hearts and minds of Americans for over a century. Newspapers still can write "There was no joy in Mudville..." and all readers know that a positive ending that everyone expected has not transpired. For, figuratively speaking, "flighty Casey has struck out."

This CD can be utilized by teachers at all grade levels, with the teacher deciding which parts of the CD are age-appropriate for their students. Coordination with the language arts teacher's poetry section is also appropriate, Gr. 4-6. The *Casey March* & *Is Suzuki* provides performance opportunities, especially for Suzuki students. The *Casey Tango* can be coordinated movement classes, recommended for Gr. 6. "How to Listen to Stories in Music" + "Flight of the Rabbit" demonstrate how music can tell a story in a way that appropriate for all ages. The *Casey March* provides an opportunity for all ages to get up and move after listening to Track 1.

*Bonnie Ward Simon, executive producer of Magic Maestro Music™, is a music educator and internationally published writer on musical topics specializing in introducing children to music. She was formerly the executive director of the Washington Chamber Symphony, the resident chamber orchestra at the Kennedy Center, co-creator of Solo-Concerts for Young People and Family Concerts series, creator of the "Live/Vocalist" Competition for young female instrumentalists, a consultant to Scholastic's Scheduling Program in the field of music education, and worked at Carnegie Hall. She is the female voice on the *Stories in Music™* series.
