Lucado,1999-04-15 Discover the path to hope in knowing that God cares for you These days bad news often outpaces the good Problems outnumber solutions You may turn and ask Where is God at a time like this Friend he s right here And he s whispering your name You really want to do what is right But sometimes life turns south You re anxious you re busy you re cautious because you ve been hurt before or maybe you re all of the above But pastor and New York Times bestselling author Max Lucado is here to share some good news in the Bible and in the circumstances of your life God whispers your name lovingly tenderly patiently and persistently Somewhere between the pages of this book and the pages of your heart God is speaking And he is calling you by name Maybe that s hard to believe Maybe you just can t imagine that the One who made it all thinks of you that personally that he keeps your name on his heart and lips In *When God Whispers Your Name* Max will help you See yourself in the stories of hardship and redemption in Scripture Understand that you are uniquely known by God Grasp the great and daring love of the One who calls your name Each copy of *When God Whispers Your Name* also includes a discussion guide designed to let you dive deeper into the timeless scripture that underlies each of these lessons of hope encouragement and redemption Max knows that we all need a reminder every now and then not a sermon but a simple reminder that God knows our names Today listen carefully Hear that God is whispering your name **God Came Near** Max

Lucado,2013-09-10 Join bestselling author and pastor Max Lucado as he brings to life the most important event in history when God Came Near It all happened in a moment a most remarkable moment God came near He came not as a flash of light or as an unapproachable conqueror but as One whose first cries were heard by a peasant girl and a sleepy carpenter The hands that held him were not manicured but callused and dirty No silk No ivory No hype No party No hoopla God came near just for you In *God Came Near* Max reminds us that just because we want a calm life doesn t mean we ll have one The minute you sink down in the easy chair of life heaven pushes the remote and changes the channel The financial aid office says no A doctor says pregnant The boss says transfer The test grade reads F The auto mechanic says totaled Despite the challenges we face on earth the Bible gives us a chance to be eyewitnesses of Jesus majesty We can take on our problems we can have a fresh start tomorrow and we can rest assured in the safety of God s embrace Christ entered our world and as a result we can enter his *God Came Near* invites you to travel back in time and celebrate Christ the Son of God as he became man When you catch a vision of this incredible moment let it mark the beginning of a new perspective a new life and a new appreciation for Jesus Because when you see the truth of his life it will change yours forever *One Thousand Years* David

Coleman,2019-12-12 Imagine Jesus ruling over a kingdom that encompasses the entire planet with no one denying that Christ is God Perfect justice will prevail throughout the world and any rebellion will draw quick retribution Righteousness will triumph over evil everywhere and God s glory will extend from Jerusalem to the ends of the earth The greatest thing about the above scenario is that it is true Yet because many sermons and Bible studies on prophetic subjects tend to focus upon darker events foretold in Scripture most believers know little about it Handed pen and paper many believers could probably

write out relatively well informed descriptions of end time topics such as the Tribulation the Antichrist and the Battle of Armageddon but ask them to describe the Millennium and many would respond with a blank stare If that describes you this book will fill you in on the bright future that awaits you One Thousand Years provides an overview of Christ s glorious earthly kingdom and explains why its literal fulfillment is guaranteed in Scripture *The Max Lucado Christmas Collection* Max Lucado,2009-09-28 Christmas is best pondered not with logic but with imagination In the mystery of Christmas we find its majesty The mystery of how God became flesh why he chose to come and how he must love his people Such mysteries can never be solved just as Love can never be diagrammed Three Christmas novellas An Angel s Story The Christmas Candle The Christmas Child A charming collection centered around the love and mystery of Christmas Perfect for reading aloud and spreading quick holiday cheer *A Love Worth Giving* Max Lucado,2009-09 Pointing out that we must love one another Lucado issues an impassioned plea to accept God s love in order to truly unselfishly whole heartedly love another **From Straw to Pillar** Lyn Bair,2013 James wants us to make a commitment of heart and mind For him certain behaviors stop us from seeking light and truth By presenting a series of ideas that are in opposition to each other James shows us a path that if taken can bring us to a better way of life The Epistle of James with its five short chapters is tucked away toward the end of the New Testament Though the book was written long ago its principles and themes are still relevant to your life today Find out how the book of James can change your life Breaking down James by each chapter author Lyn Bair will effectively challenge you with tough concepts such as the issue of integrity being hearers but not doers doing works that demonstrate your faith and how to avoid double mindedness Through challenging thought provoking questions you ll find yourself learning to apply James s principles to all aspects of your life Mimicking James s straightforward effective approach this book will test you from beginning to end helping you find simple ways to achieve lofty goals *Traveling Light- Large Print Edition* Max Lucado,2003-06-16 Weary travelers You ve seen them everything they own crammed into their luggage Staggering through terminals and hotel lobbies with overstuffed suitcases trunks duffels and backpacks Backs ache Feet burn Eyelids droop We ve all seen people like that At times we are people like that if not with our physical luggage then at least with our spiritual load We all lug loads we were never intended to carry Fear Worry Discontent No wonder we get so weary We re worn out from carrying that excess baggage Wouldn t it be nice to lose some of those bags That s the invitation of Max Lucado With the Twenty third Psalm as our guide let s release some of the burdens we were never intended to bear **Traveling Light** Max Lucado,2009-03-31 *The Writers Directory* ,2013 *Aktor-aktor Allah* , *Ten Thousand Miles of Clouds and Moons* Zuo Fei,Xiao Yue Shan,Simon Shieh,2025-01-25 Ten Thousand Miles of Clouds and Moons gathers sixteen phenomenal writers of the Chinese language in their English debut eight fiction writers six poets and two essayists Amongst these dazzling tellings the planets are being pulled closer to the earth a treasured classical fiction holds the secrets of the universe shameful acts of urban ennui are committed over and underground a couple navigates the phantasmagoric border
