Chesapeake Crimes Donna Andrews, Barb Goffman, Marcia Talley, 2010-03 Not many of us would admit even to ourselves that we had actually wished for something awful to befall anybody we knew On the other hand if we've ever felt exploited by an acquaintance or undervalued in a job that we felt trapped in if we've experienced an unappreciative boss a backstabbing co worker a jealous rival a manipulative friend a faithless lover an intrusive neighbor or even a controlling homeowners association board well you get the picture Each of us has doubtless gone a round or two with someone whom we secretly felt deserved more than a small dose of Divine Justice This probably explains why most of us can't help but smile upon hearing that somebody who done us wrong has at long last gotten his just desserts In extreme cases that is if you're anything like me you might even have gone so far in the past as to uncork a small split of champagne I suspect there'll be plenty of bubbly flowing as you relish reading about twenty of literature's most deserving villains who get their comeuppance in Chesapeake Crimes They Had It Comin Katherine Neville from the Foreword
