**Cosmic Conundrum: Who Am I?** Zendor Melchizedek, 2011-02-05 Who are you Really Who are you This workbook is an expository guide to facilitate multidimensional awareness Are you a spiritual being having a human experience Would you like to wake up the human to the spiritual experience A point of perspective introspection perception dances in the balance of the seer's vision Have you suffered from the limited experiences and thinking of others Is it possible that you might have galactic origins from elsewhere in the Milky Way Many are awakening to the potential of galactic citizenry and or spiritual connectedness beyond the notion of reincarnation I can help you engage contact experiences and garner opportunities for developing your personal abilities and or gifts This psychospiritual coursework is designed to bridge worlds build relationships across dimensions and transform lives What you may think you know about extraterrestrials guardian angels and spiritual beings will be challenged as you explore the pages of this book Points of view differ regarding our origins and the development of human beings through their dominion on earth What if there was more to the story that we haven't even explored yet because we've been too terrestrially focused in our outer living environment What is your natural state of being Is there more Would you like to find out Clearing the cobwebs out of the soular mind begins with questioning the very foundation of one's belief system It doesn't hurt at all and it does lead to deeper understanding This path is not for the timid but your courage will definitely be rewarded This is a great companion Zendor the Contrarian A Seminal View of Consciousness Cosmology and the Congruence of Science and Spirituality <https://www.createspace.com/4333292> Cosmic Conundrum - Who Am I, Really? Bruce Zen Benefiel, 2012-12-21 In case you don't see it here the Kindle version is available too Have you ever wondered who you really are Is there something missing in your life that you just can't put your finger on This is a typical challenge in personal development and or spiritual growth especially for Baby Boomers now Life in the higher realms offers many questions and people flock to self development gurus how oftentimes are more interested in their profit than being your prophet The answers to all your questions are inside you in that repository of deep knowing that we often find so challenging to access let alone download files Knowing that causes frustration and the constant search outside for answers This workbook helps guide you to the answers inside through proven methods of leading edge self awareness and personal development processes This workbook provides few answers and focuses more on the pertinent and powerful questions that lead to living authentically and with understanding of the fuller nature of being human This book speaks of this world and other worlds with data experience insights and questions many of which the reader is challenged to answer or at least ponder for extended periods Author Zen Benefiel offers a healthy dose of spiritual wisdom for an out of this world reader experience Some dynamics which make this book a helpful guide are the author's out of body experiences his education and unique intelligence combined with but not limited to an aptitude for research diverse content synthesis and organization complete with workbook opportunities for reflection on the provided material Zen embraces psychological

scientific intuitive and mystical explanations offering practical exercises for meditation releasing emotional blockages mentorship deepening the experience of flow and more Where relevant Zen gives simple and effective definitions of spiritual terms for comprehension and methodical processes for readers to achieve similar results with the suggested exercises The author s knowledge of mental emotional transformational methodologies makes for well explored and deeply penetrating lessons on the self help topics Zen s authentic sharing creates a good foundation for us the readers to contemplate and realize the unique reality to which we have embraced and have been exposed The book reveals compelling evidence that we can each go beyond our normal waking consciousness to connect in higher and finer ways The material provided ties into an overall cosmic picture complex enough to stretch our ideas of reality and cosmic responsibility while at the same time practical enough to not lose accessibility in the lessons offered
