Cosmopolitanism A Public Culture :

The Ashgate Research Companion to Cosmopolitanism Maria Rovisco, Magdalena Nowicka, 2016-04-01 The study of Cosmopolitanism has been transformed in the last 20 years and the subject itself has become highly discussed across the social sciences and the humanities The Ashgate Research Companion to Cosmopolitanism pursues distinct theoretical orientations and empirical analyses bringing together mainstream discussions with the newest thinking and developments on the main themes debates and controversies surrounding the subject The contributions are grouped into three parts each reflecting a different analytical focus within a variety of intellectual disciplines and methodological approaches Part I Cultural Cosmopolitanism is primarily concerned with the empirically grounded aspects of cosmopolitanism which are apparent in mundane practices and lifestyle options on the micro scale of daily interactions It focuses on the outlooks and lived experience of ordinary individuals and groups in concrete situational contexts and social structures Part II Political Cosmopolitanism sets out the main topics and issues dealt with by scholars writing within the tradition of political cosmopolitanism Addressing timely issues such as human rights global justice and global democracy it focuses on Cosmopolitanism as an ethico political ideal and a political project to devise new forms of supranational and transnational governance Part III Debates reflects the major debates and controversies on the subject and deliberately eschews any bland consensus to instead foreground the key arguments and lively intellectual discussions in play across disciplinary divisions Featuring contributions from key thinkers in the field including Ulrich Beck David Held and Martha Nussbaum this comprehensive volume will be a valuable resource for all academics and students working within this area of study

The Ashgate Research Companion to Cosmopolitanism Dr Maria Rovisco, Prof Dr Magdalena Nowicka, 2013-01-28 The study of Cosmopolitanism has been transformed in the last 20 years and the subject itself has become highly discussed across the social sciences and the humanities The Ashgate Research Companion to Cosmopolitanism pursues distinct theoretical orientations and empirical analyses bringing together mainstream discussions with the newest thinking and developments on the main themes debates and controversies surrounding the subject

Patriotism, Cosmopolitanism, and National Culture, 2021-11-08 The essays assembled in this volume grew out of a conference held at Cornell University in November 2001 The goal of the conference was to examine the claim that the city state of Hamburg had a unique status in the cultural landscape of eighteenth and nineteenth century Germany a status based upon the city's republican political constitution Hamburg's independence and its tolerant and cosmopolitan political traditions made it a focal point for progressive cultural developments during the period of the Enlightenment and after The contributions collected here transcend traditional disciplinary boundaries by giving equal attention to literature music and theater as well as to architecture and city planning Key essays address the role that figures as diverse as C P E Bach Lessing Klopstock Heine Brahms and Thomas Mann played in shaping Hamburg's exceptional quality as a center of culture This volume will be of interest not only to scholars doing

research on Hamburg but also to anyone with an interest in the cultural history of eighteenth nineteenth and early twentieth century Germany

After Cosmopolitanism Rosi Braidotti, Patrick Hanafin, Bolette Blaagaard, 2013 At a time when social and political reality seems to move away from the practice of cosmopolitanism whilst being in serious need of a new international framework to regulate global interaction what are the new definitions and practices of cosmopolitanism Including contributions from leading figures across the humanities and social sciences After Cosmopolitanism takes up this question as its central challenge Its core argument is the idea that our globalised condition forms the heart of contemporary cosmopolitan claims which do not refer to a transcendental ideal but are rather immanent to the material conditions of global interdependence But to what extent do emerging definitions of cosmopolitanism contribute to new representative democratic models of governance The present volume argues that a radical transformation of cosmopolitanism is already ongoing and that more effort is needed to take stock of transformations which are both necessary and possible To this end After Cosmopolitanism calls for an understanding of cosmopolitanism that is more attentive to the material reality of our social and political situation and less focused on linguistic analyses of its metaphorical implications It is the call for a cosmopolitanism that is also a cosmopolitics

Cosmopolitanism in Practice Maria Rovisco, 2016-05-13 What makes people cosmopolitan How is cosmopolitanism shaping everyday life experiences and the practices of ordinary people Making use of empirical research Cosmopolitanism in Practice examines the concrete settings in which individuals display cosmopolitan sensibilities and dispositions illustrating the ways in which cosmopolitan self transformations can be used as an analytical tool to explain a variety of identity outlooks and practices The manner in which both past and present cosmopolitanisms compete with meta narratives such as nationalism multiculturalism and religion is also investigated alongside the employment of cosmopolitan ideas in situations of tension and conflict With an international team of contributors including Ulrich Beck Steven Vertovec Rob Kroes and Natan Sznaider this book draws on a variety of intellectual disciplines and international contexts to show how people embrace and make use of cosmopolitan ideas and attitudes

Cold War Cosmopolitanism Christina Klein, 2020-01-21 South Korea in the 1950s was home to a burgeoning film culture one of the many Golden Age cinemas that flourished in Asia during the postwar years Cold War Cosmopolitanism offers a transnational cultural history of South Korean film style in this period focusing on the works of Han Hyung mo director of the era s most glamorous and popular women s pictures including the blockbuster Madame Freedom 1956 Christina Klein provides a unique approach to the study of film style illuminating how Han s films took shape within a free world network of aesthetic and material ties created by the legacies of Japanese colonialism the construction of US military bases the waging of the cultural Cold War by the CIA the forging of regional political alliances and the import of popular cultures from around the world Klein combines nuanced readings of Han s sophisticated style with careful attention to key issues of modernity such as feminism cosmopolitanism and consumerism in the first monograph devoted to this major Korean director A free open access ebook is available upon publication Learn more

Cosmopolitan Film Cultures in Latin America, 1896-1960 Rielle Navitski, Nicolas Poppe, 2017-06-19

Cosmopolitan Film Cultures in Latin America examines how cinema forged cultural connections between Latin American publics and film exporting nations in the first half of the twentieth century Predating today's transnational media industries by several decades these connections were defined by active economic and cultural exchanges as well as longstanding inequalities in political power and cultural capital The essays explore the arrival and expansion of cinema throughout the region from the first screenings of the Lumière Cinématographe in 1896 to the emergence of new forms of cinephilia and cult spectatorship in the 1940s and beyond Examining these transnational exchanges through the lens of the cosmopolitan which emphasizes the ethical and political dimensions of cultural consumption illuminates the role played by moving images in negotiating between the local national and global and between the popular and the elite in twentieth century Latin America In addition primary historical documents provide vivid accounts of Latin American film critics movie audiences and film industry workers experiences with moving images produced elsewhere encounters that were deeply rooted in the local context yet also opened out onto global horizons

Cosmopolitan Theology Namsoon Kang, 2013-11-15 In Cosmopolitan Theology author Namsoon Kang proposes a theology that embraces and at the same time moves beyond collective identity position and group based allegiances It crosses borders of gender race nationality religion ethnicity sexuality and ability Kang offers a vision of a global community of radical inclusion solidarity and deep compassion and justice for others Blending theology with philosophy she crosses borders of academism and activism and the discursive borders of modernism postmodernism feminism and postcolonialism Cosmopolitan Theology sheds a new light both in academia and the community of Christian believers by providing a public relevance of Jesus teaching of neighbor love hospitality and solidarity in our world today

Politics and Cosmopolitanism in a Global Age Sonika Gupta, Sudarsan Padmanabhan, 2017-09-19 This book offers a unique reconceptualization of cosmopolitanism It examines several themes that inform politics in a globalized era including global governance international law citizenship constitutionalism community domesticity territory sovereignty and nationalism The volume explores the specific philosophical and institutional challenges in constructing a cosmopolitan political community beyond the nation state It reorients and decolonizes the boundaries of cosmopolitanism and questions the contemporary discourse to posit inclusive alternatives Presenting rich and diverse perspectives from across the world the volume will interest scholars and students of politics and international relations political theory public policy ethics and philosophy

Anthropology and the New Cosmopolitanism Pnina Werbner, 2020-05-21 Anthropology and the New Cosmopolitanism inaugurates a new situated cosmopolitan anthropology It examines the rise of postcolonial movements responsive to global rights movements which espouse a politics of dignity cultural difference democracy dissent and tolerance The book starts from the premise that cosmopolitanism is not and never has been a western elitist ideal exclusively

The book's major innovation is to show the way cosmopolitans beyond the North in Papua New Guinea Indonesia and Malaysia India Africa the Middle East and Mexico juggle universalist commitments with roots in local cultural milieus and particular communities Anthropology and the New Cosmopolitanism breaks new ground in theorizing the role of social anthropology as a discipline that engages with the moral economic legal and political transformations and dislocations of a globalizing world It introduces the reader to key debates surrounding cosmopolitanism in the social sciences and is written clearly and accessibly for undergraduates in anthropology and related subjects

Law and Creativity in the Age of the Entertainment Franchise Kathy Bowrey, Michael Handler, 2014-11-13 Much of the real value in the entertainment industry today lies in franchises fictional universes entertainment concepts reinventions of cultural traditions and celebrity that create an ongoing presence in the marketplace The entertainment franchise now shapes the global cultural landscape However scholars have devoted little attention to how intellectual property law has changed or is being stretched in practice to accommodate this type of creativity and form of enterprise Covering law and practice in jurisdictions such as the UK the EU the USA Australia Spain and the Caribbean this collection explores the fit of intellectual property laws with specific franchises and tracks the way creators and entrepreneurs work around law's limitations Case studies include mega film franchises fan activity hip hop the management of celebrity reputation flamenco Disneyfied theatre film and television funding arts festivals and carnival in a box

Critical Approaches Toward a Cosmopolitan Education Sandra R. Schecter, Carl E. James, 2021-08-30 This book aims to reconceptualize teaching and learning in spaces with diverse populations of young people Chapters focus on the schooling experiences and social and cultural adaptation issues of individuals who through the meaning that they assign to their lived experiences ascribe to multiple identity qualifiers Contributors explore the impact of this cosmopolitan awareness on students educators and educational institutions presenting issues such as curricular concerns around civic engagement individual subjectivity versus social identity and the convergence of context specific policy and teaching environments on global dynamics in education reform An emphasis on this understanding promises to better equip educators and policy makers to plan instructional approaches and devise pedagogic resources that serve the needs and career aspirations of an expanding cohort of multifaceted learners

Cosmopolitan Elites and the Making of Globality Leonie Wolters, 2024-01-11 As ideologies such as communism fascism and various nationalisms vied for global domination during the first half of the 20th century this book shows how a specific group of individuals a cosmopolitan elite became representatives of those ideologies the world over Centering on the Indian intellectual M N Roy Cosmopolitan Elites and the Making of Globality situates his life within various social circles that covered several ideological realms and continents An example of an individual who represented ideologies such as anticolonial nationalism communism and humanism Roy is identified as unusual but by no means singular in this capacity and shows how other elites were similarly able to represent ideologies that sought to make the world anew This book explores

how Roy and his peers and competitors became a political elite as they cultivated a cosmopolitan reputation that meant they were taken seriously even when speaking of regions outside of their own By considering the social and performative practices that turned them into credible global cosmopolitans Wolters uncovers the exclusive basis on which the universal claims of world changing ideologies were made *Copyrighting Creativity* Helle Porsdam,2016-03-09 What is the relationship between creativity cultural heritage institutions and copyright Who owns culture and cultural heritage The digital age has expanded the horizon of creative possibilities for artists and cultural institutions what is the impact on legal regimes that were constructed for an analogue world What are the tensions between the safeguarding of cultural heritage and the dissemination of knowledge about culture Inspired by a three year research project involving leading European universities this book explores the relationship between copyright and intellectual property creativity and innovation and cultural heritage institutions Its contributors are scholars from both the humanities and the social sciences from cultural studies to law as well as cultural practitioners and representatives from cultural heritage institutions They all share an interest in the contribution of intellectual property to the role of cultural institutions in making culture accessible and encouraging new creativity **Cosmopolitanism and Tourism** Robert Shepherd,2017-12-12 Within tourism studies the cosmopolitan potentials of tourism have often been situated within a broader conversation about globalization an approach that implies that cosmopolitanism is a predictable by product of globalization and becoming more cosmopolitan should be the goal of travel And yet a fundamental value of a cosmopolitan outlook namely to not only to be at home in the world but also to experience the world in an authentic sense depends on the culturally embedded parochial and particular world views which it rejects In *Cosmopolitanism and Tourism Rethinking Theory and Practice* contributors take this as a starting point What does a worldly consciousness mean to people situated in different cultural landscapes and to what extent might these intersect with cosmopolitan values How is cosmopolitanism marketed in tourism and tourist related industries such as service learning and study abroad And finally what roles do social and economic class educational background gender and other factors have in cosmopolitan claims The contributors to this edited collection address these questions in a series of case studies that range from Guatemala Bolivia and Ireland to China India and Dubai For more information check out *A Conversation with Robert Shepherd* author of *Cosmopolitanism and Tourism Rethinking Theory and Practice*
