Duncan McNeill Young,1887 **How Almighty God Can Use a Simple Guy** Stanley Ridlen,2025-01-03 This book was
written by a career servant first as a police officer and later as an ER registered nurse Missions work is also involved in a
central Indiana town that is in desperate need of God s hand moving in the hearts of people who need Him There are many
examples of how God has been present when called upon and many times prior to being called upon He was just there to
protect and bring glory to His name There are hysterical stories and very personal tragic stories that will leave you on the
edge of your seat wondering how God moved next A simple guy talks about how the almighty God loves us immeasurably and
how we can have a close intimate relationship with Him This book will make you laugh cry and wonder what s next It will
also take a stab at the age old question How do I know I m saved The author has been blessed moved and changed in
bringing these stories forward Please prayerfully dig in and be open to where God is taking you These stories are the author
s and you can t have them Many who read this book will have more spectacular stories than these but these are descriptive of
how God can work in a simple guy The fact is those who are saved and bound for heaven do so in the same way through the
blood of Jesus Christ sacrificed for each of us and the repentance that changes who we are Given this we all have different
stories about how we come to Him whether it s someone praying for us a life event where God touches our hearts or God
chasing us right back to Him Hang on to your seat as you gain some insight from a simple guy **Five Years of Prayer**
