Countertop Confessions One:

Confessions M.G. Heise, 2021-09-01 Confessions explores a woman's pursuit of the truth about her broken and dysfunctional family. Very early in her childhood Debbie had discovered that her life was being controlled by some old and very dark secrets. Then one day her father calls and summons her to come back to Missouri to discuss some family business. She arrives to find he is in a hospice dying and he wants to make a deathbed confession. Upon hearing her father's story Debbie believes her father's actions were justifiable. Then she learns he confessed it once before to her mother forty years ago. What was in that confession that destroyed her mother? Every time her father visited Debbie her mother would go into hysterics sometimes for weeks. Her mother and father had kept secret the story of their romance and his confession from Debbie for decades. Now she had her father's story. Would her mother be able to tell her side of the story? Confessions as a novel addresses the relationship between a sin, a confession, and forgiveness. Which is worse: the original sin if kept a secret or the confession of the sin to the recipient? We are taught to confess to seek forgiveness from the person we have sinned against. But is that always the right choice? What if the confession does not generate the forgiveness we desire? What if the confession destroys that person, ruins their life, and the lives of others? What if the confession was given for that purpose, not seeking forgiveness but seeking revenge? Confessions have consequences that can't always be controlled. *Ridehares, Wrecks, and Sex: Confessions of a Convicted Uber Driver* Joe F. N. Schmo, 2018-12-27 Everyone knows Uber drivers are expected to be courteous and attentive both to their passengers and to those on the road. They are not expected to accept that invitation to the swinger party, flee the scene of a fatal accident, nor are they expected to be a convicted felon on probation. Unfortunately, this Joe Schmo is not your everyday Uber driver. I began sharing rides with the audacious hope to one day escape the road blocks, stalling my merger onto the freeway of creative success. But when a typical shift turns into a series of detours involving herpes-ridden riders, sexy sorority sisters, and blundering bank robbers, I arrive at gunpoint miles from my desired destination. *Rideshares Wrecks and Sex: Confessions of a Convicted Uber Driver* is based upon actual events that transpired over the year that I covertly drove for Uber while on probation. I confesses outlandish details in a highlight reel of wrecks, both car and train, and sex, effectively answering: What's your craziest story? **Our Last Confession** Keary Taylor, 2019-12-17 Mr. Anderson did something bad to one of our friends. It's the class reunion from your worst nightmare. **Her Final Confession** Lisa Regan, 2018-11-28 Watching her friend dragged away in handcuffs, Josie couldn't believe for one second that Gretchen had killed that poor boy.
