## **Couples In Treatment Techniques And Approaches For Effective Practice:**

**Couples in Treatment** Gerald R. Weeks, Stephen T. Fife, 2014-01-10 This third edition of *Couples in Treatment* helps readers conceptualize and treat couples from multiple perspectives and with a multitude of techniques. The authors do not advocate any single approach to couple therapy and instead present basic principles and techniques with wide ranging applicability and the power to invite change making this the most useful text on integrative systemic couple therapy. Throughout the book the authors consider the individual interactional and intergenerational systems of any case. Gerald Weeks' Intersystems Model, a comprehensive integrative and contextual meta framework, can be superimposed over existing therapy approaches. It emphasizes principles of therapy and can facilitate assessing, conceptualizing, couples problems and providing helpful interventions. Couple therapists are encouraged to utilize the principles in this book to enhance their therapeutic process and fit their approach to the client rather than forcing the client to fit their theory. **Couples in Treatment** Gerald Weeks, Stephen Treat, 2013-05-13 First Published in 2001 Routledge is an imprint of Taylor Francis, an informa company. *Techniques for the Couple Therapist* Gerald R. Now in a second edition, *Systemic Sex Therapy* presents 12 updated chapters and two new chapters bringing the material up to date with the DSM 5. Each chapter examines the definition and description of a disorder, its etiology, assessment, treatment, research, and future directions. Experts in the field discuss issues ranging from pharmacology, sexual compulsivity, therapy with lesbian and gay couples, to chapters on male and female lack of desire.
