NIH Stroke Scale

Instructions

- Administer stroke scale items in the order listed.
- Record performance in each category after each subscale exam.
- Do not go back and change scores.
- Follow directions provided for each exam technique.
- Scores should reflect what the patient does, not what the clinician thinks the patient can do.
- The clinician should record answers while administering the exam and work quickly.
- Except where indicated, the patient should not be coached (i.e., repeated requests to patient to make a special effort).
