Edd and Greg, who lead the three cities together, have been putting all their efforts into restoring the forests to no avail. Now Lilly joins the duo once more in their quest to save the world from an invisible threat. What could be happening to the forest? How can they save the biomes? And what exactly is destroying the trees?

An Unofficial Minecraft Book for Kids Ages 9 12 Preteen Lilly, the city leaders Greg and Edd, have a new mission. Their goal is to discover the mysteries surrounding the deforestation of the server. All of their efforts in restoring the forest have been in vain, and they're desperately trying to understand what went wrong. That's when the villain Loki comes in. Loki offers them a deal: he will tell them everything he knows in exchange for his freedom. Not having any other option available, the trio accepts the offer. According to Loki, there was a mysterious villager who could speak to humans living in an old village in the middle of the map. This old villager foretold the power of an unknown tree capable of controlling the weather and environment of a server. The group had to find this villager and ask him in person how to proceed. If this rare tree was destroyed by the

woodcutters how could they retrieve it Where would they find it And if they didn t what would happen to their world This unofficial Minecraft book is not authorized endorsed or sponsored by Microsoft Corp Mojang AB Notch Development AB or any other person or entity owning or controlling the rights of the Minecraft name trademark or copyrights All characters names places and other aspects of the game described herein are trademarked and owned by their respective owners
