The God of the How and When Bible Study Guide plus Streaming Video Kathie Lee Gifford, 2022-11-29 Waiting on God and trusting him in the process is one of the hardest things for any believer. In this six-session video Bible study, streaming access is included. The authors of *The Rock*, *The Road*, and the Rabbi Kathie Lee Gifford and Rabbi Jason Sobel will take you back to the Holy Land where God made his covenant with people like Abraham, Sarah, Moses, Joshua, and Mary. You'll study their stories and how God delivered on the promises he made to each of them. Throughout Scripture, we see God weaving his plan through the lives of people who had to step out in faith long before they understood what their Creator was up to. Their questions then are ours today: How can we learn to trust in God's timing and God's methods? *The God of the How and When*, part 1 of *The God of the Way* Study Series, will show you how God is still building his Kingdom through the lives of the followers of Jesus and how you're a part of this amazing story. Each session includes clips from *The God of the Way* that bring the story of Scripture to life with contemporary orchestral arrangements, powerful narration, and visuals. Study Guide Plus Sociology Gwendolyn E. Nyden, 1998-08 What Happens Next Bible Study Guide plus Streaming Video Max Lucado, 2024-08-13 What comes to mind when you think about the end times If you are like many Christians you might not think about it much at all You have a carpe diem kind of faith that focuses on the here and now Why occupy your thoughts with the not yet when you have enough to deal with in the right now The answer is simple because Jesus focused on the end times A full thirty percent of his teachings in the Gospels have to do with discourses on heaven hell and the events that will signal the final age So if Jesus made the end times a priority it only makes sense that his followers would make it a priority as well Perhaps one of the reasons why you don't like to think about the end times is because you know it will involve turmoil and strife Indeed Jesus said the final days would be marked by events that include economic turmoil political conflicts ethnic

tensions persecution of Christians famines wars and rumors of wars diseases false prophets waning faith in Jesus and other fearful sights Jesus declared All these are the beginning of birth pains Matthew 24 9 Labor pains increase in frequency and intensity as the delivery draws near Jesus was speaking of a day in which the same will happen in the world Now when it comes to considering these events that will signal the end of the age you have a choice as to how you will respond You can see these circumstances through the eyes of fear or faith The eyes of fear see little reason for hope and ample reason for anxiety However the eyes of faith see history inching closer and closer to a new era that will usher in a heavenly destiny a time when you will reach the end of the race and receive the heavenly prize Philippians 3 14 nlt God has told you what to expect not to scare you but to prepare you He is like a pilot on the intercom telling the passengers about impending turbulence A good pilot keeps his travelers informed Your good Father does the same God wants you to have a deep seated confidence that he is firmly on his throne and the future is in his hands He has given prophecy to empower his saints with the reassurance that whatever happens in this life he is ultimately sovereign

The Covenant Connection Daniel Judah Elazar, John Kincaid, 2000-01-01 American European political and theological histories intersect in this important new exploration of the founding of the United States The Covenant Connection examines the way in which the Protestant Reformation and federal covenant theology which lay at the foundation of Reformed Protestantism in its Calvinist version played a major role in shaping the political life and ideas of the colonies of British North America and ultimately the new United States of America Contributors to the volume look at the most critical facets of this connection over nearly three centuries from the beginning of the Reformation in sixteenth century Zurich to the declaration of American independence and the writing of the U S Constitution Individual chapters show how federal theology led to a revival of Biblical republicanism in Reformation Europe how it was applied and modified in countries such as Switzerland the Netherlands Scotland and England and how it was carried across the Atlantic by the early settlers of North America most particularly the Puritans but also other groups such as the Dutch and the Scots to form the matrix for American constitutionalism democratic republicanism and federalism As a collection The Covenant Connection provides an irrefutable analysis of the profound biblical and Reformation influences on the founding of America
