Adam Streiff
ABC Company
24 Doe Street, Sometown XX19 1XX

Dear Mr Streiff,

When I came across your opening for a sales assistant at ABC Company, I was beyond thrilled. I would value the opportunity to contribute the same award-winning customer service as I have at my current role at XYZ Corp.

I have seen that ABC Company will soon be relocating to a larger site, following three consecutive years of increasing trade. My most recent experience involved a similar situation. As a retail assistant at XYZ Corp I assisted with a move to a new 200 square metre site, helping to successfully adapt visual merchandising for the larger space. To further assist the move I helped train 5 new incoming staff to manage the increase in footfall.

After the move to the larger premises my own sales figures improved by 50% per month, contributing to an overall sales increase of £700,000 per annum. I'd love to be able to help achieve the same success for a vibrant local business such as ABC Company.

Thanks so much for taking the time to consider my application. Please do give me a call at your convenience, so we can discuss the role further. I'd love the opportunity to develop my skills at a business that's a Merseyside success story.

Yours sincerely,
Sophie Spencer

Europe Prof Prodosh Aich establishes that the entire understanding of India developed by self claimed scholars from West is erroneous since the initial attempt to comprehend ancient India through the Vedas was itself faulty He questions the validity of the works of the famous western scholars who translated the Vedic literature into English German and Italian A vast majority of them did not even set foot on the Indian soil and those who came here did not learn the ancient languages in an organised manner even though translation needs an equal command of both languages Since neither the Vedic language nor the Sanskrit were spoken languages since ages it was all the more difficult for them to develop language skills required for translation Colonialist Imperial England had prepared a concerted design to establish the superiority of blond blue eyed white Christian culture over other cultures that they opted to define as primitive particularly in case of India Prof Aich uses juxtaposition to drive home a point and leaves judgement to readers He frames a question and then answers it by using the primary source material The book is bound to trigger an academic debate in the West also and would go a long way to establish once for all that the much trumpeted and self championed discipline of Indology in the West has in fact been based on falsehood It must have been a design that none of the scholars so far bothered to use the existing material so abundantly available which could have helped to unravel the truth about the colonial powers and imperial administration and bureaucracy Scholars after scholars even after the end of colonial empire have continued to overlook the material that would have removed the well laid myths about Indian society polity and culture **Syrian Women Refugees** Ozlem
