### **Covert Santa Danette Fogarty:**

**Covert Santa** Danette Fogarty, Elizabeth Alby, 2015-12-05 Karissa Godfried started writing to Staff Sgt Lane Huff because his sister asked her to. She had no idea what they had to write about but she did it. To her surprise the Marine answered her letters from halfway around the world. And before long Karissa started to think of Lane Huff as much more than just a pen pal. Staff Sgt Lane Huff was serving a deployment in Afghanistan when he started receiving letters from Karissa, a friend of his sister's. Leave it to family to try and fix him up even when he's thousands of miles away and trying to focus on his mission. But after writing to Karissa for months Lane wondered if loving her wasn't the best mission he could sign up for. Can love start on paper, bloom during emails and be delivered by a Covert Santa? *Sophie Washington* Tonya Duncan Ellis, 2018-08-18 Christmas is three weeks away and a mysterious Santa has been mailing presents to sixth grader Sophie Washington. There is no secret Santa gift exchange going on at her school so she can't imagine who it could be. Sophie's best friends Chloe Valentina and Mariama guess the gift giver is either Nathan Jones or Toby Johnson, two boys in Sophie's class who have liked her in the past but she's not so sure. While trying to uncover the mystery Sophie gets into the holiday spirit making gingerbread houses with her family, helping to decorate her house and having a hilarious ice skating party with her friends. Snow comes to Houston for the first time in eight years and the city feels even more like a winter wonderland. Between the fun Sophie uncovers clues to find her secret Santa and the final reveal is bigger than any package she's opened on Christmas morning. It's a holiday surprise she'll never forget.
