Castaways Real Life Accounts Aborted Souls:

The Castaways Sarah Hinze, 2015-12-06 When a troubled three year old boy began telling his parents about being in the tummy of his other mommy it seemed nothing more than a childhood fantasy But his supposed memories only grew more vivid as did his love and longing for the mother he felt he had lost Little could anyone imagine the astonishing revelation that would come several years later when he met a friend of the family This remarkable book tells his story and that of many like him This is the story of the castaways We have learned much about death and the life after Sarah Hinze leads us into the next great area of research the study of where we come from Elisabeth K bler Ross M D Psychiatrist and author of *On Death and Dying* The remarkable accounts presented here by Sarah Hinze all have one thing in common they presuppose a pre mortal existence not only for the souls of aborted babies but for all human beings E Douglas Clark J D M B A Director of UN Affairs for the Howard Center for Family Religion and Society *The Castaways* 15th Anniversary Edition 2015 *The Castaways* adds a new dimension to the entire field of books about life before birth by providing compelling evidence that babies in the womb can feel pain and rejection sometimes resulting in traumatic memories after birth *The Castaways* is a life changing book with the potential to be a world changing book John P Pratt Ph D I have always believed that abortion is much more than just a choice This fascinating book details how abortion effects not only women but the children they choose not to bear Dr Richard G Wilkins Professor of Law and Director The World Family Policy Center *The Castaways* 2000 **Stories of the Unborn Soul**

Unveiling of Jesus Christ Micah Paul Gaylor, 2024-03-31 The book of Revelation is more than a prophecy of future events It is an invitation a blessing and a catalyst meant to equip creation for a Face to Face encounter with the King of Kings that will utterly transform the very fabric of reality Book 1 of the Unveiling of Jesus Christ series is all about preparation No not that end of the world as we know it doomsday kind of preparation I mean the kind you make when you are about to go on an epic quest Our quest is to understand and experience the true power of the book of Revelation not as an oracle for survival but as illumination for transformation Without this mindset many previous eschatological expeditions have produced overconfident predictions while leaving their travelers empty handed unchanged and jaded A better path is available In this prelude to our journey through Revelation we ll build a map for navigating end times prophecy as God intended With a fresh sometimes out of the box perspective we ll unpack familiar Bible verses in unexpected ways that reveal God s beautifully consistent tapestry of truth From Genesis to Revelation we ll learn how God s plan connects the Old and New Testaments with a precision that will strengthen and deepen your faith Join me as we leverage the depth and breadth of Scripture to uncover a divine endgame that defies imagination The goal is to adjust our focus enlarge our perspective and awaken an insatiable hunger for the Unveiling of Jesus Christ Come prepared to be equipped for active participation in the consummating stages of God s eternal plan for His universe **Divine Comedy** Dante Alighieri, 1921 **La Divinia Commedia** Dante Alighieri, 1921
