Miles, 2020-02-20 A concise and compelling survey of Chinese migration in global history centered on Chinese migrants and their families **Ethnographies of Waiting** Manpreet K. Janeja, Andreas Bandak, 2020-05-27 We all wait in traffic jams passport offices school meal queues for better weather an end to fighting peace Time spent waiting produces hope boredom anxiety doubt or uncertainty Ethnographies of Waiting explores the social phenomenon of waiting and its centrality in human society Using waiting as a central analytical category the book investigates how waiting is negotiated in myriad ways Examining the politics and poetics of waiting Ethnographies of Waiting offers fresh perspectives on waiting as the uncertain interplay between doubting and hoping and asks When is time worth the wait Waiting thus conceived is intrinsic to the ethnographic method at the heart of the anthropological enterprise Featuring detailed ethnographies from Japan Georgia England Ghana Norway Russia and the United States a Foreword by Craig Jeffrey and an Afterword by Ghassan Hage this is

a vital contribution to the field of anthropology of time and essential reading for students and scholars in anthropology sociology and philosophy      *Social Collateral* Caroline E. Schuster,2015-10-06 Microcredit is part of a global trend of financial inclusion that brings banking services especially small loans to the world's poor In this book Caroline Schuster explores Paraguayan solidarity lending as a window into the tensions between social development and global finance *Social Collateral* tracks collective debt across the commercial society and smuggling economies at the Paraguayan border by examining group loans made to women by nonprofit development programs These highly regulated loans are secured through mutual support and peer pressure social collateral rather than through physical collateral This story of social collateral necessarily includes an interwoven account about the feminization of solidarity lending At its core is an economy of gender from pink collar financial work to men's committees to women smugglers At stake are interdependencies that bind borrowers and lenders financial technologies and Paraguayan development in ways that structure both global inequality and global opportunity      **The Personal Life of Debt** Ryan Davey,2025-05-23 As the cost of living rises British households face unprecedented levels of debt But many commentators characterise those who stash away envelopes leave telephones ringing or hide from debt collectors as irresponsible The first full length ethnography of debt problems in Britain this book uses long term fieldwork on a southern English housing estate to give a sensitive retelling of the everyday lives of indebted people It argues that the inequalities of debt go beyond economic questions to include the way state coercion hinders people's efforts to define what they truly value Indeed from finance to housing and even parenthood the potential for dispossession has become a pervasive method of power that strikes at the heart of personal life      **Routledge Handbook of Chinese Business and Management** Jane Nolan,Zhao Shuming,Ken Kamoche,2023-09-29 This handbook representing the collaboration of 36 scholars provides a multi faceted exploration of Chinese business and management The volume represents an inside out perspective offering local knowledge and experience in conjunction with an outside in approach presenting measured and sensitive observations from an outsider's perspective The handbook's approach is organised around five key themes Cultural and institutional contexts for business in China Management including digital marketing and entrepreneurship Work and employment covering gender and trade unions in the workplace Human resource management and human resource development in Chinese businesses including multinational corporations in the UK Business and economic overviews revealing the impact of guanxi relations and networks on Chinese business and management Revealing major recent developments in Chinese business and management alongside an appreciation of the unique historical institutional and cultural context of Chinese business and management this book is a must read for scholars students and educators of Chinese business and theory and business in Asia      *Galileo's Instruments of Credit* Mario Biagioli,2007-07-15 Annotation In six years Galileo Galilei went from being a mathematics professor to a star in the court of Florence to a target of the Inquisition And during that time Galileo made a series of astronomical discoveries that reshaped the ideas of the

physical nature of the heavens and transformed him from a university mathematician into a court philosopher Galileo's *Instruments of Credit* proposes radical new interpretations of key episodes of Galileo's career including his telescopic discoveries of 1610 the dispute over sunspots and the conflict with the Holy Office over the relationship between Copernicanism and Scripture Galileo's tactics shifted as rapidly as his circumstances argues Mario Biagioli and these changes forced him to respond swiftly to the opportunities and risks posed by unforeseen inventions other discoveries and his opponents Focusing on the aspects of Galileo's scientific life that extended beyond court culture and patronage Biagioli offers a revisionist account of the different systems of exchanges communication and credibility at work in Galileo's career Galileo's *Instruments of Credit* will fascinate readers interested in the history of astronomy and the history of science in general

**The Character of Credit** Margot C. Finn, 2003-08-21 Table of contents *Reconfiguring Racial Capitalism* Mingwei Huang, 2024-10-18 In *Reconfiguring Racial Capitalism* Mingwei Huang traces the development of new forms of racial capitalism in the twenty-first century Through fieldwork in one of the China malls that has emerged along Johannesburg's former mining belt Huang identifies everyday relations of power and difference between Chinese entrepreneurs and African migrant workers in these wholesale shops These relations Huang contends replicate and perpetuate global structures of white supremacy anti-Blackness capitalism and colonialism even when whiteness is not present Huang argues that this dynamic reflects the sedimented legacies and continued operation of white supremacy and colonialism which have been transformed in the shift of capitalism's center of gravity toward China and the Global South These new forms of racial capitalism and empire layer onto and extend histories of exploitation and racialization in South Africa Taking a palimpsestic approach Huang offers tools for understanding this shift and decentering contemporary Western conceptions of race empire and racial capitalism in the Chinese Century

**Credit, Currencies, and Culture** Endre Stiansen, Jane I. Guyer, 1999 A striking feature of African history is the volume of commerce and production that has been possible without the full panoply of credit insurances future markets stock companies limited liability and other legal and financial services that make up the formal sector of modern economies The contributors to this volume investigate institutional nexuses through which money has been managed in Africa Together they present important perspectives that are needed to understand the present economic crisis on the continent

*New Directions in Africa-China Studies* Chris Alden, Daniel Large, 2018-07-17 Interest in China and Africa is growing exponentially Taking a step back from the events driven reactions characterizing much coverage this timely book reflects more deeply on questions concerning how this subject has been is being and can be studied It offers a comprehensive multi-disciplinary and authoritative contribution to Africa-China studies Its diverse chapters explore key current research themes and debates such as agency media race ivory development or security using a variety of case studies from Benin Kenya and Tanzania to Angola Mozambique and Mauritius Looking back it explores the evolution of studies about Africa and China Looking forward it explores alternative future possibilities for a complex and constantly

evolving subject Showcasing a range of perspectives by leading and emerging scholars New Directions in Africa China Studies is an essential resource for students and scholars of Africa and China relations **Money and Finance After the Crisis** Brett Christophers, Andrew Leyshon, Geoff Mann, 2017-09-05 Money and Finance After the Crisis provides a critical multi disciplinary perspective on the post crisis financial world in all its complexity dynamism and unpredictability Contributions illuminate the diversity of ways in which money and finance continue to shape global political economy and society A multidisciplinary collection of essays that study the geographies of money and finance that have unfolded in the wake of the financial crisis Contributions discuss a wide range of contemporary social formations including the complexities of modern debt driven financial markets Chapters critically explore proliferating forms and spaces of financial power from the realms of orthodox finance capital to biodiversity conservation Contributions demonstrate the centrality of money and finance to contemporary capitalism and its political and cultural economies
