Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy:

Counselling Adults with Learning Disabilities Sally Hodges, 2017-04-21 The major barrier in the way of competent counselling provision for people with learning disabilities is not the presence of a learning disability but the lack of understanding of the relevance of counselling by potential referrers Sally Hodges has written for a wide range of professionals who work with people with learning disabilities and introduces theoretical concepts in an accessible way by using clinical vignettes to illustrate each point An introduction to theory and some time spent thinking about different life stages personal histories presenting problems and relationship issues will provide an invaluable introduction to the emotional worlds of people with learning disabilities from the Foreword by Sheila Hollins Professor of Psychiatry of Learning Disability St George's Hospital Medical School University of London **Counselling Adults with Learning Disabilities** draws on a psychodynamic framework to bring together current ideas and thinking in an approachable and practical way Through vivid clinical material and case examples the book creatively illustrates how complex theories can be translated into clinical practice Common problems are tackled and addressed within a lifespan framework with attention given to key issues such as Bereavement Abuse Mental illness Challenging behaviour Sexual relationships Relationships with peers families and staff Additionally given the increasing importance of evidence based practice the book concludes with a review of the literature in the area of learning disabilities and its efficacy SALLY HODGES is a Consultant Clinical Psychologist at the Tavistock Clinic with their Learning Disabilities Service Previously she worked for learning disabilities services in Redbridge and Plymouth

Counselling and Psychotherapy with Older People Paul Terry, 2008-06-17 Building on the success of *Working with the Elderly and their Carers* this new edition pursues an in depth understanding of therapy with older people A wide range of clinical material and 3 new chapters draw on developments in psychodynamic theory and the author's experience to offer valuable insights for trainees and experienced practitioners

Counselling and Psychotherapy with Children and Adolescents Linda Hopper, 2006-11-07 It is increasingly understood that to counsel children and adolescents effectively requires specialized skills simply adapting techniques developed for adults will not work Drawing on the work of Bowlby Winnicott and others Linda Hopper here gives a brief introduction to the emotional development of young people and shows how play and other creative means can be used to help them to express their inner feelings In a comprehensive overview of the area she also discusses issues of difference and identity the counselling process and ethical issues in counselling children The author's wide experience of working with children and adolescents shines through in vivid case studies covering a range of clients contexts and difficulties Offering a judicious balance of theory and practical discussion **Counselling and Psychotherapy with Children and Adolescents** focuses on the essential knowledge needed to work therapeutically with children It is thus an ideal foundation text for students undertaking training in child counselling either as part of their initial training or in post qualification professional development

An Introduction to Groupwork Bill Barnes, Sheila Ernst, Keith

Hyde,2017-03-14 Building on the individual s personal experience of groups starting in the family the authors offer an account of why things happen as they do in groups providing a basis for developing groupwork in a wide range of settings rooted in an understanding of the interaction between individual and group processes Particular attention is paid in the group analytic approach to the social cultural and institutional context within and outside the group This book can be used both as a text for courses and to lead the therapist or group worker through the stages of establishing and conducting a group appropriate to the needs of the particular clients residents or patients

Supervision in Counselling and Psychotherapy Liz Omand,2009-08-14 Supervision is essential for counsellors and psychotherapists but it can create emotional pressures and practical dilemmas This book offers a sympathetic introduction to supervision that helps the reader to think through these complex issues Rooted in the psychodynamic tradition this book provides the reader with a sophisticated understanding of theory whilst exploring the principles that underpin good practice The text gives useful insights into the conflicts and possibilities offered by supervision to both supervisor and supervisee Drawing on case studies taken directly from the author s own experience the individual chapters consider issues in a variety of settings from group supervision and supervising in institutions to working with difference and supervising those with clients in crisis Thought provoking and enjoyable to read this book encourages the reader to reflect on their own practice It is an ideal text for those beginning to supervise as well as for experienced practitioners looking to refresh their knowledge and skills

In Therapy Together Peter Rober,2017-05-24 Families come in all shapes and sizes and all have love at their roots however by the time a family requests help from a psychotherapist resentment fear and disappointment have often become the dominant forces ruling everyday life Moving away from the medically focused problem diagnosis treatment model of psychotherapy Peter Rober s thought provoking new text conceptualises family therapy as a dialogue between living breathing people it emphasises the mutuality and relational context that serves as the backdrop of a therapeutic encounter whereby family members will interact emotions will be displayed and suppressed and practitioners will need to navigate carefully endeavouring not just to listen but to understand the stories being told Astute and engaging throughout each chapter provides close analysis of a rich variety of case studies combined with an examination of key theories and concepts from different schools of thought in family therapy with a particular focus on dialogical thinking the book explores the ways in which these theoretical concepts can be applied in everyday practice situations Written by a leading expert in the field this insightful new addition to Palgrave s Basic Texts in Counselling and Psychotherapy series provides an accessible exploration of a complex area of practice It will prove invaluable reading for those studying family therapy specifically as well as students taking more general counselling and psychotherapy courses and practitioners looking for a fresh source of guidance

Psychodynamic Counselling with Children and Young People Sue Kegerreis,2009-12-18 Introducing key psychodynamic theory concepts and techniques this text examines the challenges and opportunities of counselling adolescents and children

The book explores a wide variety of settings and contexts from schools to community projects and mental health services. It is an invaluable guide for counsellors and therapists at all levels. *An Introduction to Psychodynamic Counselling* Laurence Spurling, 2017-09-16. This key book in the Basic Texts in Counselling and Psychotherapy series is an authoritative and accessible introduction to psychodynamic counselling and its basic principles. The author Laurence Spurling is a leading figure in the discipline and here he examines the underlying psychodynamic approach, its main theoretical ideas and principles of practice, the techniques associated with it and ways of thinking about the conduct of counselling. Looking at two major themes in particular, namely the involvement of counsellors working with clients with severe emotional and psychological problems and the influence of organisational settings on counselling work, this book is an essential guide for students and practitioners of counselling or psychotherapy along with those from other professions such as nurses and teachers who are called upon to use counselling skills in their work. New to this Edition: Includes a brand new chapter on developing competence in working with social difference and diversity within the therapeutic relationship. Discusses the different phases of counselling work from referral through to the final session and beyond. Examines the role of organisational settings in therapists' everyday practice, providing insight into managing institutional demands. Explores the challenges of working with clients with more severe emotional and psychological problems. **Music Therapy with Adults with Learning Disabilities** Tessa Watson, 2007-05-07. Music Therapy with Adults with Learning Disabilities explores how music therapists work in partnership with people with learning disabilities to encourage independence and empowerment and to address a wide variety of everyday issues and difficulties. Comprehensive and wide ranging, this book describes in detail the role and work of the music therapist with adults with learning disabilities. Many clinical examples are used, including casework with people with autism, Asperger's syndrome, profound and multiple learning disabilities and a dual diagnosis of learning disability and mental health problems. The book also explores issues of team work and collaborative working, considering how music therapists and their colleagues can best work together. The chapters are grouped into four sections: an introduction to current music therapy work and policy in the area; clinical work with individuals; clinical work with groups; and collaborative and team work. Guidelines for good practice are also provided. This is a thought-provoking and topical text for all those involved in work with adults with learning disabilities; it is essential reading for music therapists and fellow professionals, carers, policy makers and students. *Counselling and Psychotherapy for Families in Times of Illness and Death* Jenny Altschuler, 2011-12-19. Living with serious illness can have profound emotional effects both on patients themselves and on those close to them. With clarity and compassion, this text explores the difficulties and dilemmas those who are ill and their families face, offering specific guidelines for the professionals who work with them. Building on its successful first edition, this text draws on recent developments in research and clinical practice in providing a theoretical and practical framework for working with illness. Thoroughly revised in its second edition, this book features new chapters on the cultural

constructs of illness working with migrant families illness in later life death and palliative care and supervision Explores issues of working with diversity covering gender class race and sexuality Discusses the impact of working with those facing serious illness on health care professionals offering strategies for reducing the risks of burnout compassion fatigue and secondary traumatisation Written by a recognized expert in the field this innovative and challenging book provides essential insights for professionals working or training to work with those facing illness and death including doctors nurses counsellors psychologists psychotherapists and social workers

Working with Trauma Gerrilyn Smith,2012-11-27 The toxic nature of trauma can make it an overwhelming area of work This book by a recognised expert adopts a systemic perspective focusing on the individual in context Very positively it shows how every level of relationship can contribute to healing and that the meaning of traumatic experiences can be unfrozen and revisited over time

Introduction to Systemic and Family Therapy John Hills,2012-12-07 Ideas drawn from family and systemic therapy form the basis of many interventions in mental health and childcare This brief introduction offers an ideal starting point for non specialists and new students keen to develop their skills Taking a step by step experiential approach it explores key concepts in vivid practice context

Positive Dynamics Margaret Henning,2016-02-10 Group work is a common and valuable resource used in many areas from therapy education and training to businesses and commercial organisations At its best group work is rich and productive promoting open and honest communication at its worst it can become a source of failure and hostility In this clear and engaging book Margaret Henning focuses on the concrete practicalities of how to make groups vehicles for success whether in supervision therapy or self development in optimising team function or in achieving specific organisational tasks With a focus on the role of group facilitators she lays out a model of group work based in systemic and narrative techniques generating optimal conditions for groups to achieve success The book will appeal not only to counselling and psychotherapy practitioners and students but to those in social work education and management settings Grounded in a firm psychological basis Positive Dynamics pulls together what is known about creating a best possible group culture and informed by extensive experience describes the principles and techniques for achieving it

The Personal Is Political Martin Milton,2017-12-22 Written by an eminent psychologist and psychotherapist this book explores how therapists and counsellors can address the key issues of difference in working with their clients No matter how much the therapist knows how knowledgeable they are or how expert they are they all face the same dilemma their clients are always unique ever changing subjective beings By taking a pluralistic approach and interweaving theory with a range of clinical stories offering insights into specific issues client populations and therapeutic contexts this text will enable readers to develop context sensitive practice It will equally appeal to students newly qualified counsellors and more experienced professionals looking to develop their practice becoming the perfect companion for students and trainees in applied psychology psychotherapy and counselling

Working with Sexual Issues in Psychotherapy Desa Markovic,2017-08-25 Whilst many psychotherapists work skilfully and creatively with the

subject of sex the lack of professional support systems such as training and supervision mean that the topic is often still treated as taboo in the psychotherapy room This secretive treatment may increase clients feelings of shame and embarrassment thus mirroring the confusing views on sexuality in society and leading to the onset and development of sexual dysfunctions Bringing the medical perspective of sexology together with systemic psychotherapy informed by social constructionism this timely book seeks to fill the gap in psychotherapy literature research and training by providing a theoretical framework as well as practical guidance for effective therapeutic interventions in working with sex and sexual relationships in clinical practice Exploring topics such as sexual prejudice the significance of sexual diversity and the assessment and treatment of sexual dysfunctions enriched with a wealth of engaging case studies Working with Sexual Issues in Psychotherapy is a fascinating and important read both for students new to this complex topic and for practitioners looking for a comprehensive source of reference

Family Therapy in Changing Times Gill Gorell Barnes,2017-03-14 The new edition of this well known text addresses the plurality of family life today and considers the way in which the changeable theory of family has influenced the approaches of those working with families The emphasis in this 2nd edition is on working in a context of cultural diversity and in which life transitions such as marriage divorce and bereavement affect the lives of all families be they multi or lone parent gay or heterosexual This is an essential text for therapists and counsellors both in training and in practice who work with families

Working with Children and Parents through Separation and Divorce Emilia Dowling,Gill Gorell Barnes,2020-04-28 Supporting children and families through separation and divorce is a major area of concern in contemporary society However it is sometimes hard for those professionals who are helping families to hear the voice of the child in this process Writing from their wide experience as clinicians working with children and families Emilia Dowling and Gill Gorell Barnes set out in this book to address this gap and allow the child to be heard Working with Children and Parents through Separation and Divorce combines research with clinical and practical approaches to working with families going through stressful changes linked to separation or divorce Attention is given to the wider context of children s lives with the implications for general practice schools and other services addressed in special chapters A focused approach to divorce related problems that takes each family member s view into account is illustrated Combining individual and family work helps parents to resolve difficulties enabling children troubled by parental separation to progress with their own lives This book is essential reading for front line professionals as well as specialists who encounter children and families going through this life transition in the course of their work

An Introduction to Systemic Therapy with Individuals Fran Hedges,2005-03-01 A key book in the Basic Texts in Counselling and Psychotherapy series this is an accessible introduction to the benefits and applications of systemic therapy with individuals It builds upon build the growing interest in this approach which unlike many other therapeutic approaches can effectively be employed as a meta theory whilst practitioners continue to work in another main model such as cognitive behavioural or psychodynamic This

popular text book provides counselling and psychotherapy students trainees and practitioners new to this approach with a lively accessible and thoroughly practical introduction to the key theoretical concepts and techniques of systemic therapy with individuals Working With Adolescents and Young Adults Stephen Briggs,2008-09-26 The first edition of this popular book won praise for successfully exploring the inner world of contemporary adolescence The new edition now also examines issues including self harm depression and body image disturbance Drawing on a flexible psychodynamic approach it gives evidence based guidance for both experienced practitioners and students **Short-Term Psychotherapy** Alex Coren,2020-09-12 This new edition reflects the growing use of short term therapy across a variety of settings Packed with new material on key issues the book explores the therapeutic relationship the length of therapy and the evidence base for various forms of therapy This is key reading for anyone wishing to incorporate a psychodynamic element in their work

Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy has opened up a world of possibilities. Downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy is one of the best book in our library for free trial. We provide copy of Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy. Where to download Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy online for free? Are you looking for Counselling Adults With Learning Disabilities Basic Texts In Counselling And Psychotherapy PDF?
