No Man's War Angela Ricketts,2015-07-14 A blunt bold debut memoir of women s lives on an army base and the intimate
hardships of war and deployment on this community Kirkus Raised as an army brat Angie Ricketts though she knew what she
was in for when she eloped with Darrin then an Infantry Lieutenant on the eve of his deployment to Somalia Since then
Darrin now a Colonel has been deployed eight times serving four of those tours in Iraq and Afghanistan And Ricketts has
lived every one of those deployments intimately distant enough to survive the years apart from her husband but close enough
to share a common purpose and a lifestyle they both love With humor candor and a brazen attitude Ricketts pulls back the
curtain on a subculture many readers know but few will ever experience Counter to the dramatized snapshot seen on
Lifetime s Army Wives Ricketts digs into the personalities and posturing that officers wives must survive daily whether
navigating a social event at the base suffering through a husband s prolonged deployment or reacting to a close friend s
death in combat At its core No Man s War is a story of sisterhood and survival As Ricketts states We tread those treacherous
waters together Do we sometimes shove each other s heads underwater for a few seconds Maybe even on purpose Of course
Are we sometimes dragged underwater ourselves by the undertow created by all of us struggling together too closely

Without a doubt But we never let each other drown Our buoyancy is our survival *Training Wheels for Teachers* Steve
McKeehan,2019-07-12 You got into the teaching profession to make a difference You had some exceptional teachers growing
up and you thought you had what it took to make a similar impact on young people Yet from the moment you inherited your
first group of students you have been struggling to keep your head above water During each period of the day while you
attempt to deliver quality instruction there are a handful of loud and obnoxious students that make it their mission to disrupt
your lessons and cause chaos in the classroom Because of your inability to take control others have joined in the insurrection
There is no teacher 911 number to dial and you feel frustrated and helpless Your dream job has turned into a fight for

survival As a new instructor you ll need the knowledge and practical experience to set up your classroom design and teach lesson plans and communicate with the parents of your students Your top priority however is to establish classroom management strategies and get students to buy into your rules and governance If you can convince them to do so you ll set the table for a successful school year Become the leader of your classroom and help students discover the educational opportunities that await

The Ten-Minute Principal Evan Robb,2019-05-06 Rebuilding your day How ten minutes can make the difference between ordinary and fantastic leadership A principal s enthusiastic vision is often thwarted by daily demands There never seems time for carefully laid plans But what if you made the most of ten minute blocks scattered through your day Could you make progress This book says Yes and will help you improve but not overwhelm yourself or staff It will show you how to intentionally use ten minute opportunities to consider kickstart and execute your vision Based on six pillars of school leadership vision relationships trust efficacy student centeredness and instructional knowledge each chapter will Introduce a leadership topic Offer a ten minute opportunity to consider where you are and what you might change Give a ten minute tip on how to get started as well as overcome challenges Provide ten minute collaborative opportunities to gain buy in and participation Discover how to build the foundations of effective leadership and be a school helping teachers and students grow and improve despite daily demands Make the most of chunks of time to refine your craft and become a reflective and intentional leader
