Sir Roger de Coverley Papers (Classic Reprint) Joseph Addison, 2015-07-05 Excerpt from Sir Roger de Coverley Papers The first of our society is a gentleman of Worcestershire of an ancient descent a baronet His name Sir Roger de Coverley His great grandfather was inventor of that famous country dance which is called after him All who know that shire are very well acquainted with the parts and merits of Sir Roger He is a gentleman that is very singular in his behavior but his singularities proceed from his good sense and are contradictions to the manners of the world only as he thinks the world is in the wrong However this humor creates him no enemies for he does nothing with sourness or obstinacy and his being unconfined to modes and forms makes him but the readier and more capable to please and oblige all who know him When he is in town he lives in Soho Square It is said he keeps himself a bachelor by reason he was crossed in love by a perverse beautiful widow of the next county to him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Sir Roger De Coverley Papers From "the Spectator" D. O. S. Lowell, 2018-03-23 Excerpt from The Sir Roger De Coverley Papers From the Spectator Edited With Notes and an Introduction AS to Addison's grammar while his principal departures from modern idioms have been noted the sacrilege Of paraphrasing has been studiously avoided Here and there the papers have been Slightly edited for Obvious reasons The Partridge hoax has been purposely treated at considerable length in the Introduction not only because it is famous in literature has a direct bearing upon the inception Of the Tatler and is most amusing in itself but also because it gives an interesting glimpse Of one Of the most famous contemporaries Of

Steele and Addison's Dean Swift. The chronological table has been made a little fuller than in other books of this series in the thought that some may become interested in the lives of the two principal characters and wish to follow them up in detail. After a brief course of reading in some of the books suggested under bibliography the student might be required to write a sketch of Addison or Steele using as a brief the chronological table.
