Cowboy Action Shooting:

The Hobby/Cowboy Action Shooting Richard M. MD Beloin,2010-06 The book is a 12 year summary of memoirs facts and events leading to a totally encompassing hobby and the development of a popular shooting sport Cowboy Action Shooting The author covers subjects to include Shooting Accessories Firearm Modifications Reloading Dedicated Practice a typical day at a CAS and others covered in 14 chapters The book is written for the general public novice beginner the experienced shooter and the retiree looking for a hobby It is a nonfiction guide book that exposes all the facets of cowboy shooting and includes the state of the art and modern approaches to the sport *Cowboy Shooting Sports* Paul Love,2015-08-29 First of all I don t do either Cowboy Action Shooting or Cowboy Fast Draw yet However I am old enough to have grown up with the radio TV and movie cowboys that used to dominate the airwaves and the silver screen The values that I learned growing up were heavily influenced by those western heroes Hopalong Cassidy Roy Rogers John Wayne and many others Like other kids my age I dreamed about riding the range with a six gun at my side Times have changed but I still watch old westerns and I still get a kick out of watching the good guys defeat the bad guys So when I read an article recently in the local paper about a fast draw contest it caught my interest and I started doing some research about cowboy shooting fast draw and action shooting The more I read the more interested I became in the people who were not just shooting firearms from the Old West period in our history but were also reviving the spirit of the Hollywood Old West Those shows from the 50s and 60s included themes such as protecting the weak learning to live peacefully with people of other races and religions and standing up for what you believe and even if the plots were a little simplistic they helped youngsters identify those values with the heroes they were watching on the TV or movie screen Eventually I decided to write this book about Cowboy Action Shooting and Cowboy Fast Draw along with some background information about the actual history of the Old West The book isn t an instruction manual or an expert view of these sports it s intended to be an overview of what they are how they got started what you need to participate and why you might enjoy taking part And it s written with the hope that a few people who aren t aware of Cowboy Action Shooting or Cowboy Fast Draw may see this book get interested themselves and help keep the spirit of the Old West alive All about Cowboy Action Shooting Ronald Harris,2001-02 This book tells the story of the Single Action Shooting Society SASS Heavily illustrated it tells how modern cowboys and cowgirls have recreated the Old West right down to the handguns clothing and accessories **The Top Shooter's Guide to Cowboy Action Shooting** Hunter Scott Anderson,2000 Cowboy action shooting is the hottest firearms game around and Anderson is a veteran of hundreds of these simulated gun battles Now he teaches shooters of all skill levels how to improve their shooting and their ranking among competitors 200 photos Beyond the Wild Bunch Gary Kieft,1999-01-01 The Top Shooter's Guide to Cowboy Action Shooting Hunter Scott Anderson,2001-07-01 From one of the nation s top cowboy action shooting competitors and author of *The Top Shooter s Guide to Cowboy Action Shooting* comes the original video series on America s fastest growing
