[Guitar Tuition for the Beginner level 1: Welcome Handbook plus video lessons](#) Peter Houghton, 2022-09-08 The Guitar Tuition for the Beginner handbook Level 1 is a great investment to purchase It's a great resource for both tutor and students It will accompany and compliment the tutor's lessons for the student to record their progress and motivate with progressive learning It is great supplement for newbie students wanting to learn a few things before and during their starter lessons and teaches the basics and fundamentals of playing the guitar You'll soon realize that you can't live without it It's a great resource for both tutor and students How is it different from other books that you have seen You are right in asking Well it's simple The handbook itself is ideal for both tutors and students and will accompany and supplement the tutor's lessons and their additional notes too and will give much more information and insight on various aspects of learning and playing so the student can feel more confident The student will get guidance on things to look out for when prepping for one to one lessons

There's guidance on purchasing your first guitar and accessories they will need. It covers later purchases that they could invest in as they develop. There is a small list of important and essential equipment that you'll need including optional equipment and resources to purchase prior to lessons. Many of the items listed you can purchase in your local friendly music shop and also online. It also has advice on hardening finger tips, building callouses and of course helpful advice so the student will get the best of their instrument along side their musical journey. In the handbook there's also space to record new chords, track progress, has additional blank rhythm sheets and space for notes. You can download and print extra copies from the Short link QR Code if needed. The author has a website too with explanatory videos to help get started, the students started and there are external links to other professional services such as Trinity College ABRSM for those students wanting to take formal exams. Many music tutors do provide a teaching curriculum to prepare for exams if desired. On the accompanying website you'll be able to purchase vouchers for personal one to one guitar tuition in various denominations which is ideal for gifting and treating someone to private guitar lessons in West Midlands areas only in the UK with a qualified and experienced tutor. T's C's apply. There's a secure online shop, chord finder, blank and printed music sheets, blank rhythm sheets, tips for practicing Q and A section and of course a few introductory videos. Coming soon: Books Levels 2 and 3 and the Students fillable chord chart book.

The Electric Guitar Handbook (with Audio) Rod Fogg, 2010-02-01. Book. Backbeat's successful Handbook format is now applied to the world's most popular instrument. The Electric Guitar Handbook is the latest entry in Backbeat's best selling handbook series combining a two part book with audio. Part one of the book examines how different types of electric guitars are made and why varying construction methods influence the way guitars sound. It also looks at the role of various pieces of guitar hardware including pick ups, tremolo set ups and bridges. Part two is a comprehensive user friendly course in playing the electric guitar from the basics of posture and hand positioning to music and tab reading and advanced performance. The comprehensive written exercises presented in the book and also on the accompanying audio take the learner through each step in the process covering styles including rock, country, blues, soul, funk, indie, alternative and metal. Author Rod Fogg also offers practical advice on everything from simple scales to complex chords alongside short features introducing key performers and styles.
